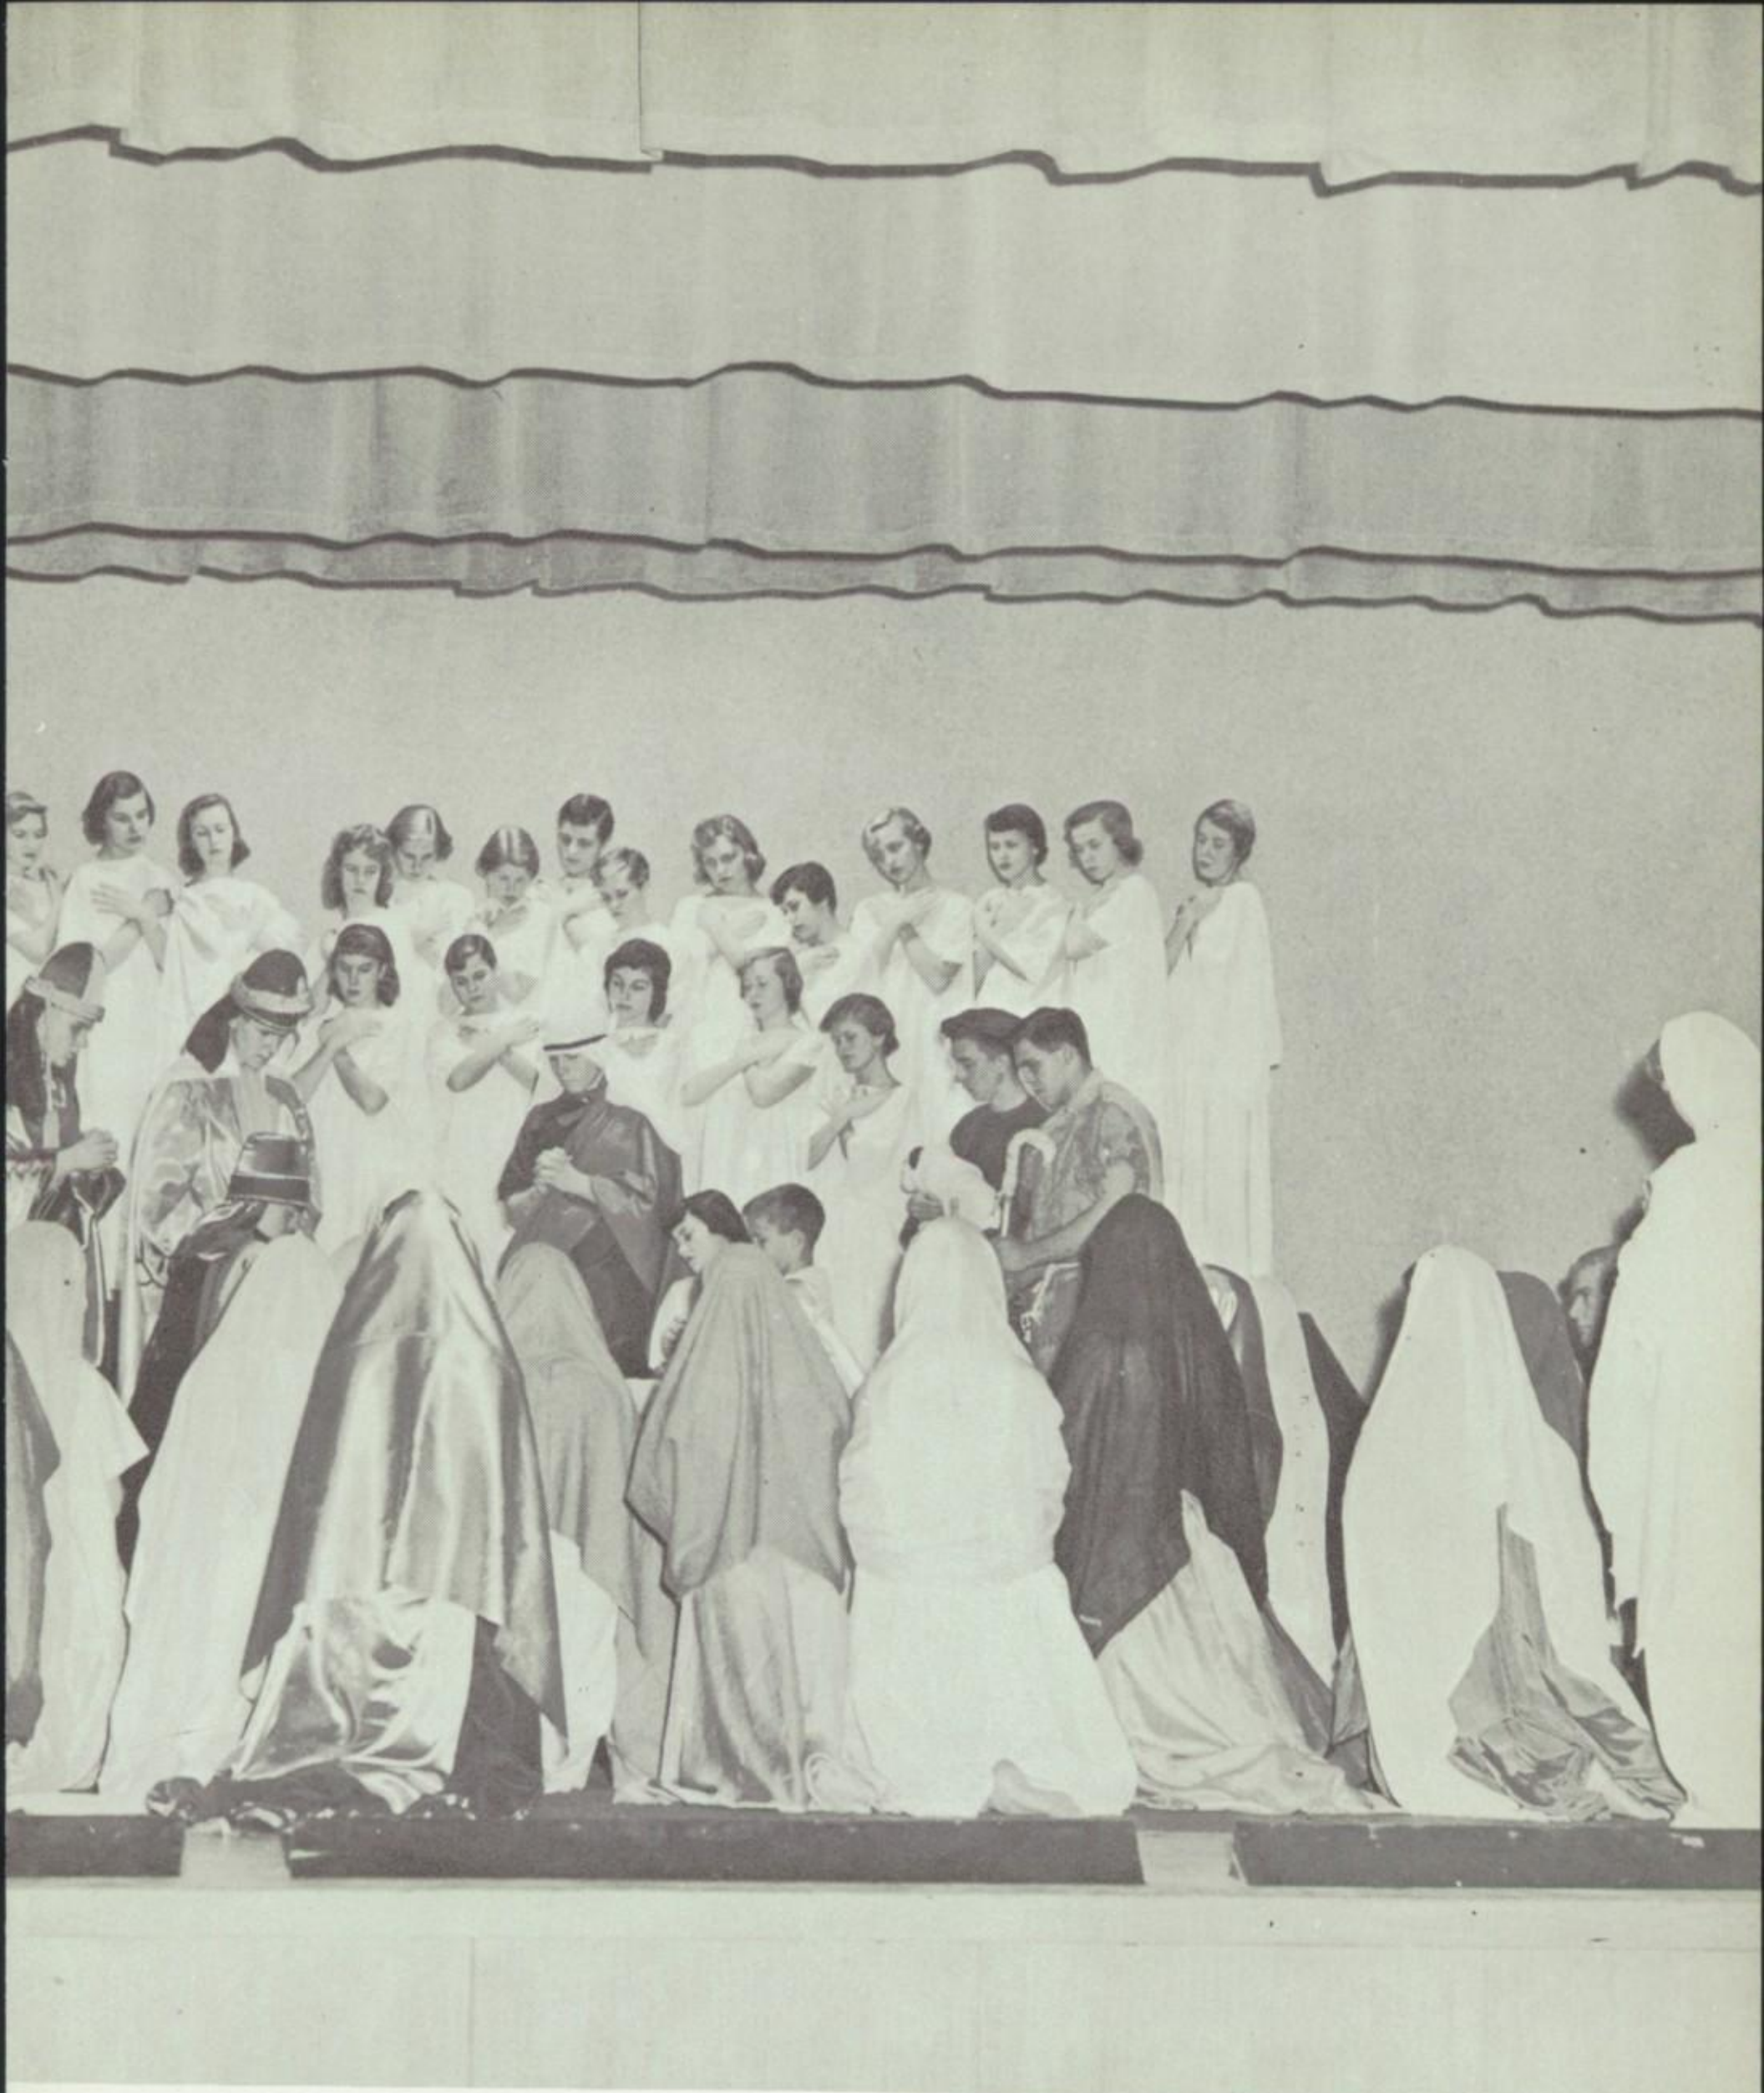
SPECIAL EVENTS



Football captain, Tom Harvey, escorted Queen Marilyn to the morning assembly, where she was first crowned queen of the 1957 Homecoming.

Enthusiasm ran high as the queen and her court and their escorts led the Grand March. They are: M. Whalin, P. McMullen, P. Boyd, B. Miller, J. Izzo, J. Bommarito, M. Hart, R. Spence, J. Humphrey, T. Grigg, S. Cornish, and R. Wight.

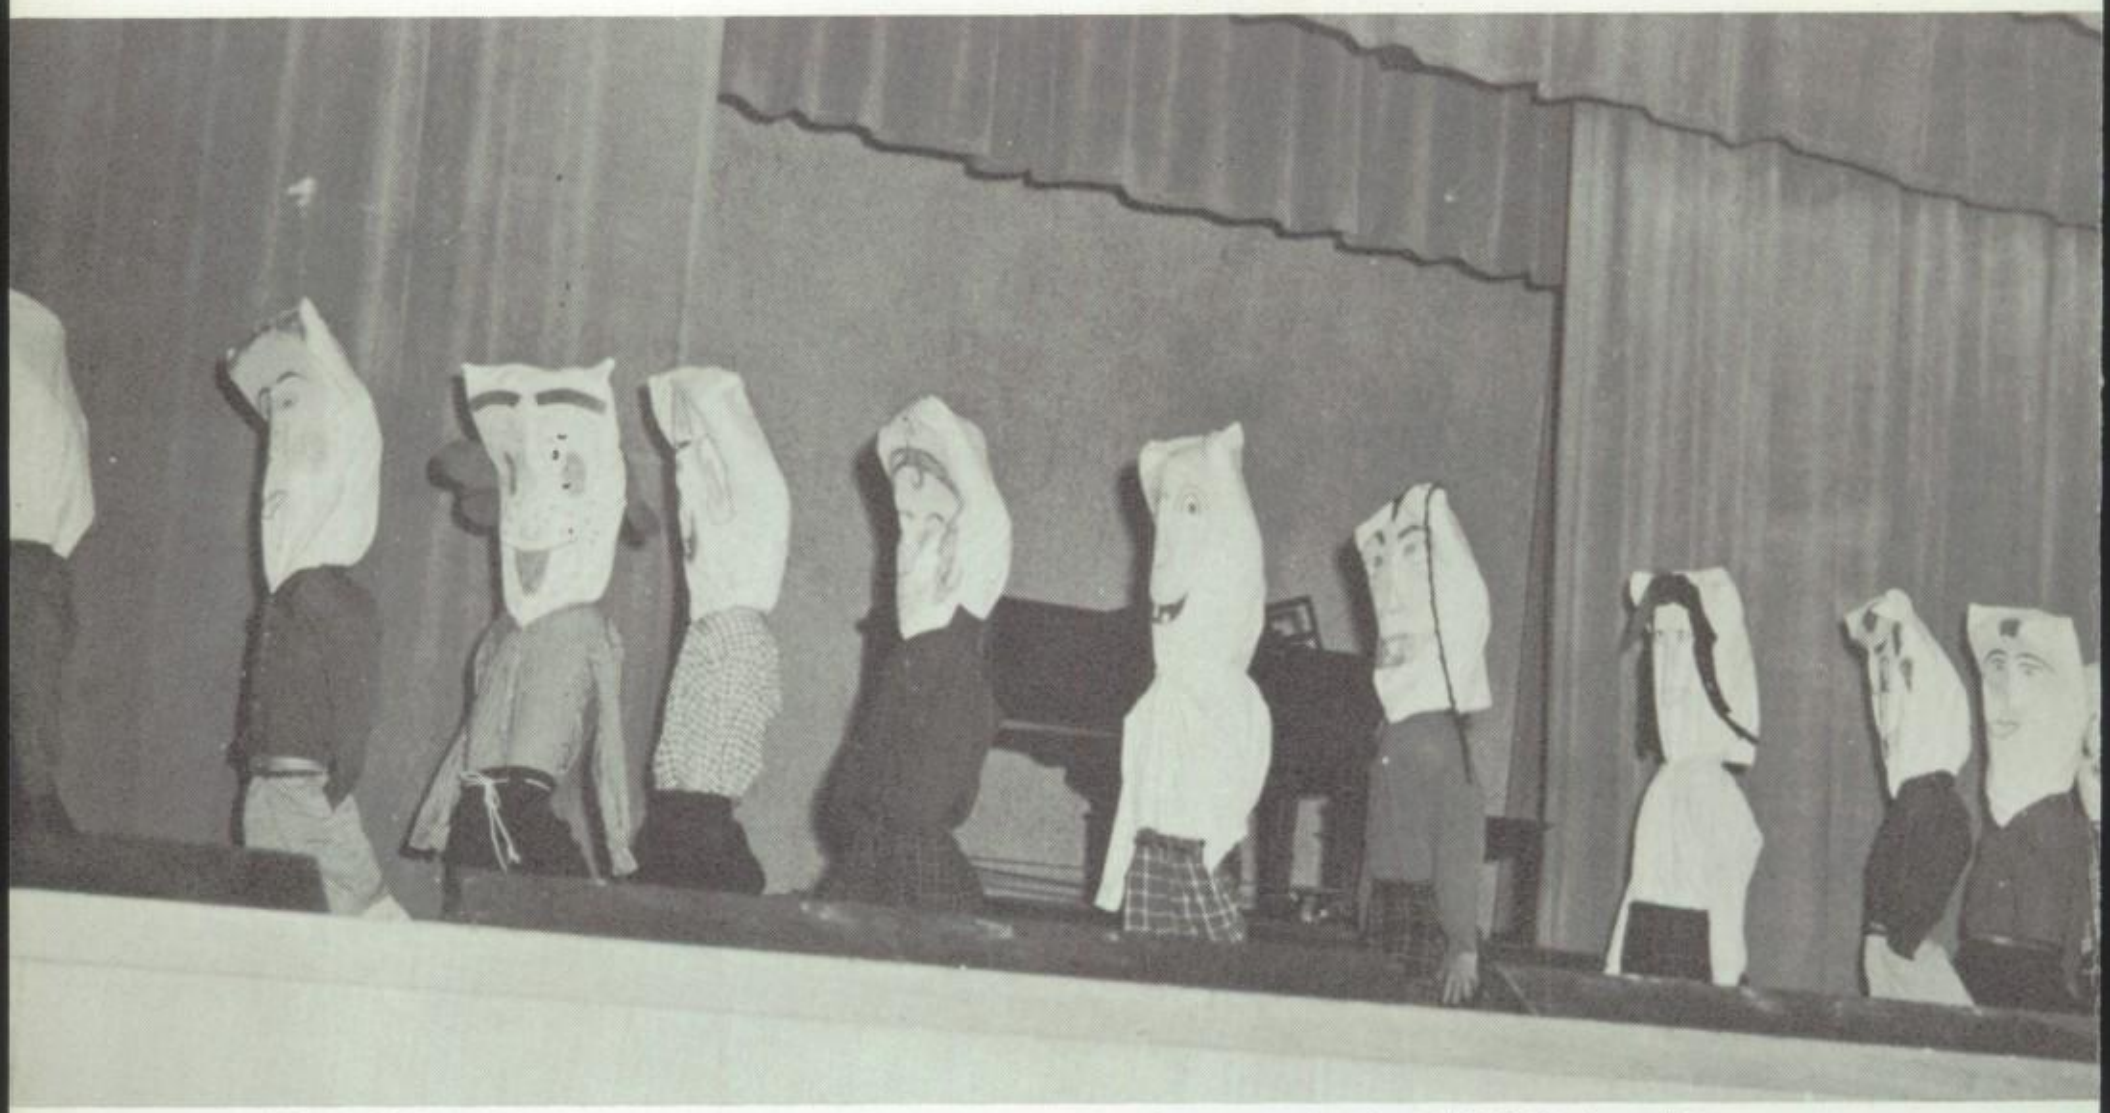
At 1957 Homecoming

Homecoming means different things at different ages. To those of us still in high school, it is a time of excitement and preparation. First comes the all-school nominations, then the interview assembly, the election, the Homecoming assembly, game, and dance. To the people who have just graduated, it is an opportunity to get together with their high school friends. For the old alumni it is a treasured memory from their high school days, and at this game they can regain the old school spirit for one more memorable night.

Queen Marilyn's reign was highlighted with the presentation of a gold football by Jim Rae, president of the Student Council.

Chosen by the student body to be our Homecoming royalty were these eleven girls. FRONT ROW: Janet Inman, Margaret Whalin, Sandy Cornish, Queen Marilyn Hart, Pat Boyd, Nancy Needham, and Sharon Posey SECOND ROW: Mary Lu Townley, Jeannie Izzo, Jacquie Humphrey, and Nancy Beyer.

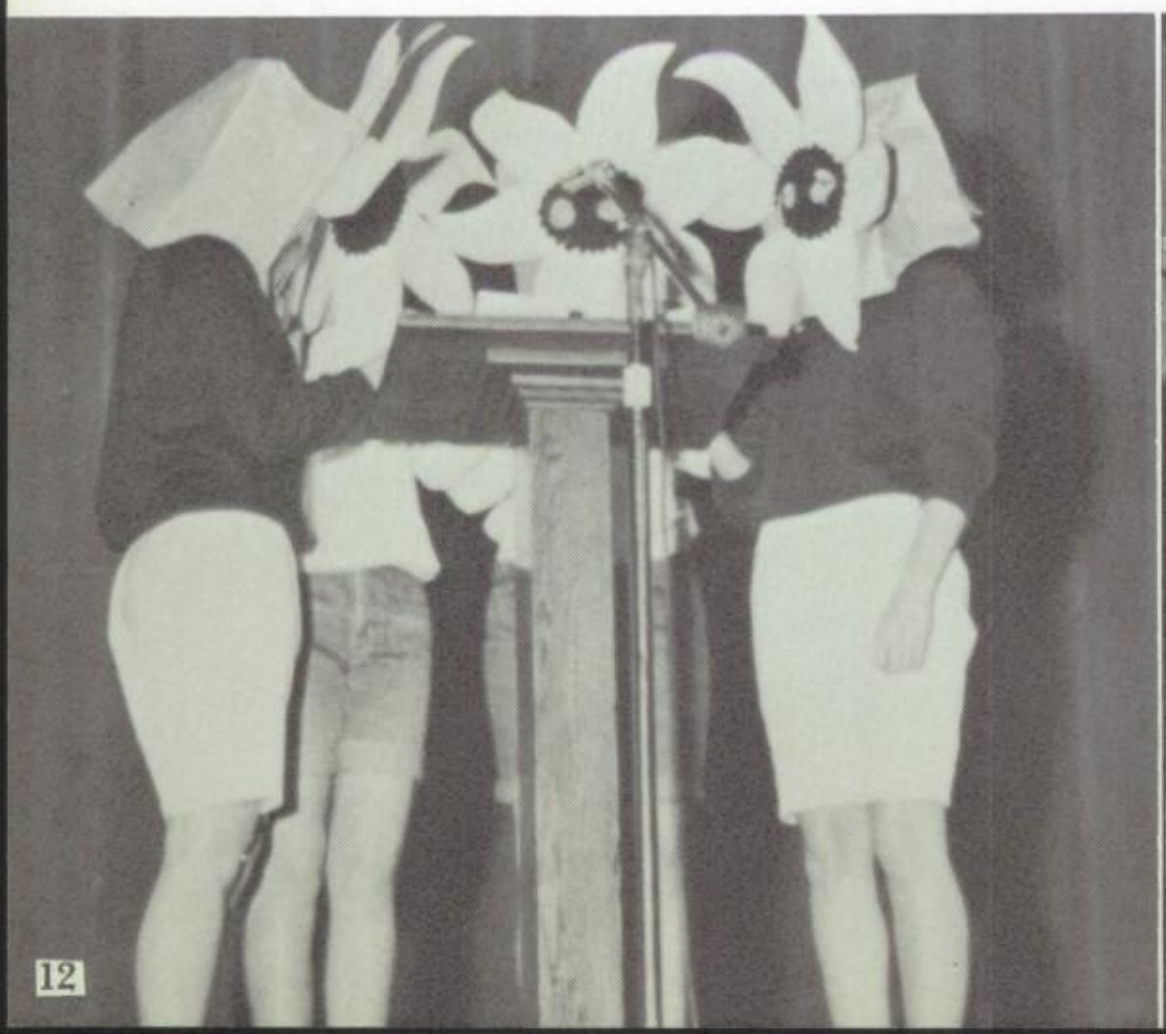
Alumni Renew School Spirit



These little midgets danced their way into the hearts of everyone in the Girls' S.O. Assembly.

VarietyPrevalent In Assemblies

M. Rosenburg, J. Sieland, M. Riepe, and M. Pfeuffer sing out in praise of Sharon Posey, their choice for secretary in the all-school elections assembly.



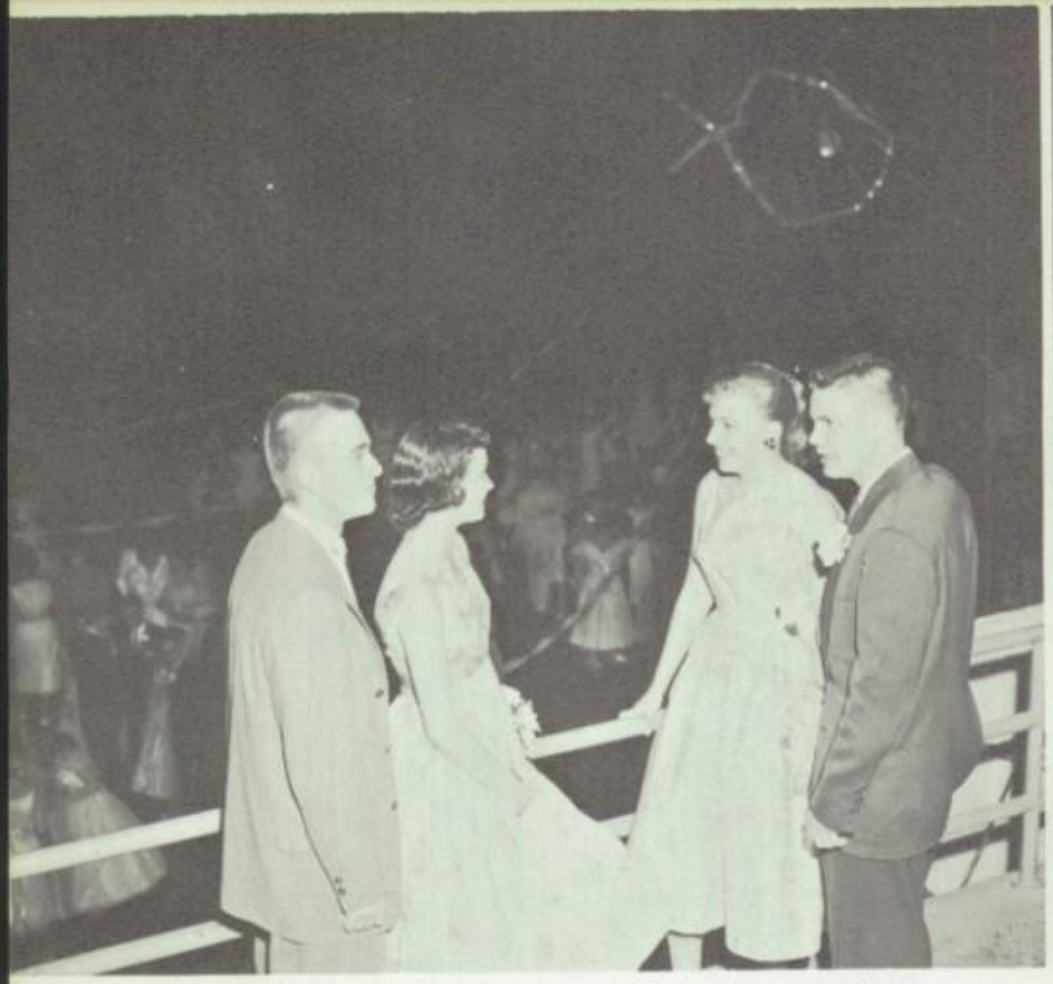
Jo Ann Teboe as Holgar in the Christmas Pageant foregoes the chance of hearing the chimes to help an old woman, played by Carol Grigsby.

J. Grunow, Y. Ely, C. Lutzke, C. Sollner, H. Manning, and M. Walker dramatize Icky Gouie's life in the Girls' S.O. Assembly.

"Variety is the spice of life" and the essence of the assemblies at Arthur Hill this year. Starting the schedule off with a bang was the Girls' S.O. Assembly, unequalled in talent in the following assemblies. The Homecoming and Christmas assemblies provided plenty of color and the dance band and drill team from Michigan Tech were a pleasant divergence from the usual. And then there were the pep assemblies. Remember the one before the Saginaw High basketball game when we made more noise than the school had heard in years? Yes, they were fun and now — — "You're excused to your third hour classes . . . .

A relaxing mood was created by the senior girls' quartet, Nancy Kerns, Mary Johnston, Jacquie Humphrey, and Janet Gage, as they sang "Dream" and "Lullabye of Birdland".

The members of this year's dance band are: Back row, C. Chappell, B. Rupprecht, G. Fraser, T. Vitek, and B. Wallace. Front row, B. McKay, T. Lepley, T. Lentner, J. Stormont, J. Sorsenson, D. Markin, and B. Solterman.



Guy Moretti, Pam MacRae, Alice Vogel, and Tony Scutt talk over all the good times they've had during their junior year.

D. Bradt, D. Benjamin, K. Gaertner, J. Adair, B. Black, and M. Christmas inspect the treasures washed in by our "Ebb Tide".

Class Parties

Seniors dance away all thoughts of books, exams, and study hall teachers at the Senior Prom.

Attractive were the results of the committee's efforts at the Sophomore Party.

Jack Kischnick, Dave Braun, Gale Redinbo, and Rod Causie cannot understand why Cart Washburn, as the champ, has not died from a bullet wound in his heart.

Dave Braun counsels Cart Washburn in the semester play, *Heaven Can Wait.*

Heaven Can Wait

"I want my own body—nobody else's," wailed Joe Pendleton on discovering he had been taken to heaven sixty years too soon and that his own body had been cremated. His search for another body provided many hilarious moments in the first semester play as Joe occupied the bodies of a financier first and then of a prizefighter named K. O. Murdock.

At an informal rehearsal Bradley Zittel, Charmaine Stander, John Schneider, Bill Howson, Garron Weiker, and Diane Vetengle make sure of their cues before running through the scene.

Twelfth Night

With rehearsal for "Twelfth Night" in full swing, Janice Rock, Denny Stewart, Jim Tefft, and Brooks Solterman go through their lines over and over and over.

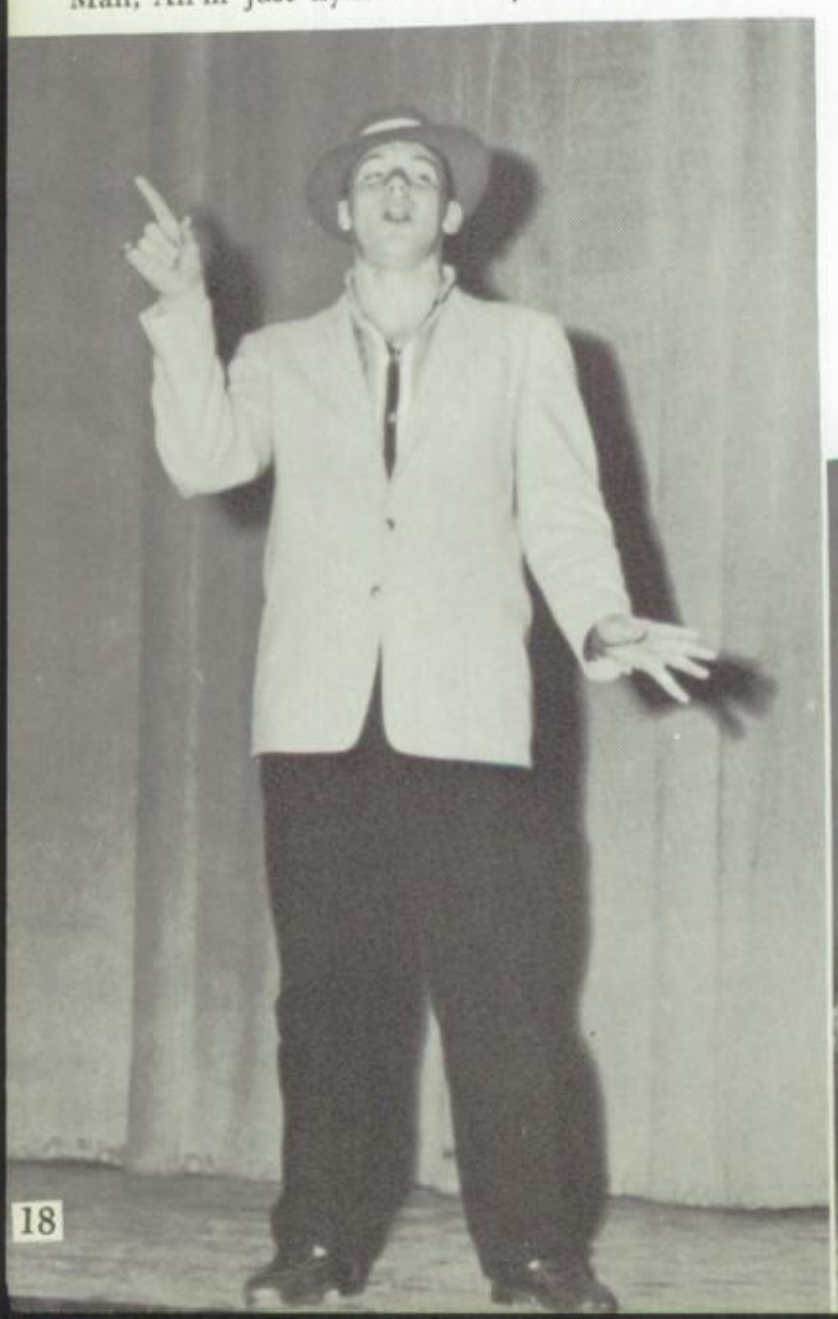
Malvolio thinks his mistress Olivia is in love with him but in reality Olivia loves Viola (a girl masqueraded as a page) who loves Duke Orsino who loves Olivia . . . Mixed up? Let's try again. The play is about identical twins, mistaken identity and three cases of love at first sight. Mr. Harris directed Twelfth Night as the second semester play which provided laughs a plenty.

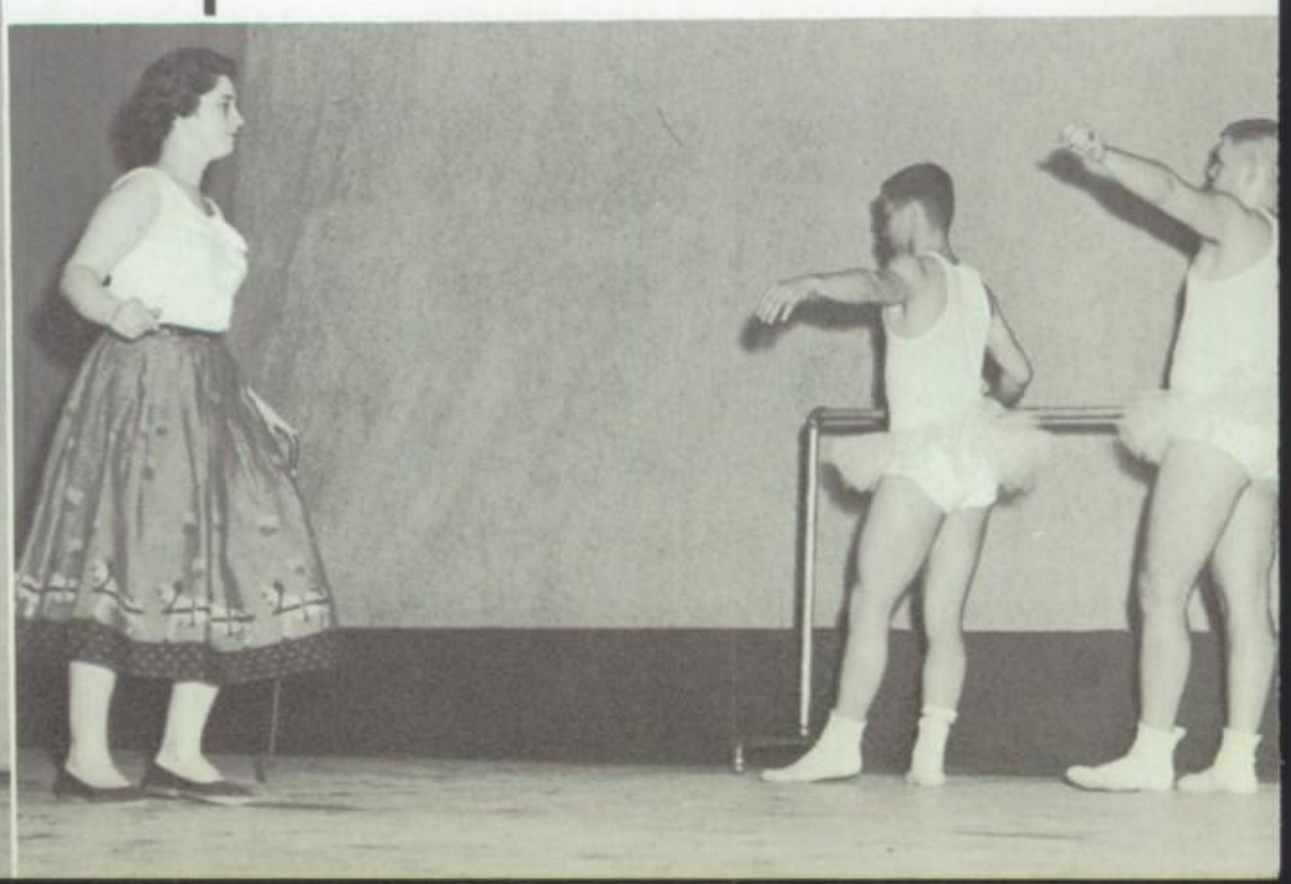
Behind the scenes the student performers make last changes and nervously await their turns.

"23 skidoo to you, too!" These flappers who are trying to bring back the Charleston are: S. Cornish, V. Anderson, P. Bailey, J. Phillips, M. Hart, C. Gagnon, E. Kazuk, J. Waspby, M. Whalin, J. Wanbaugh, J. McLeod, and S. Pryer.

The polka band members, B. Wallace, T. Mitchell, J. Ellars, C. Vacik, L. Vacik, J. Sorenson, and J. Salwasser whoop up a fast one.

"Man, Ah'm just flyin' low!" says Ernie Dewell.



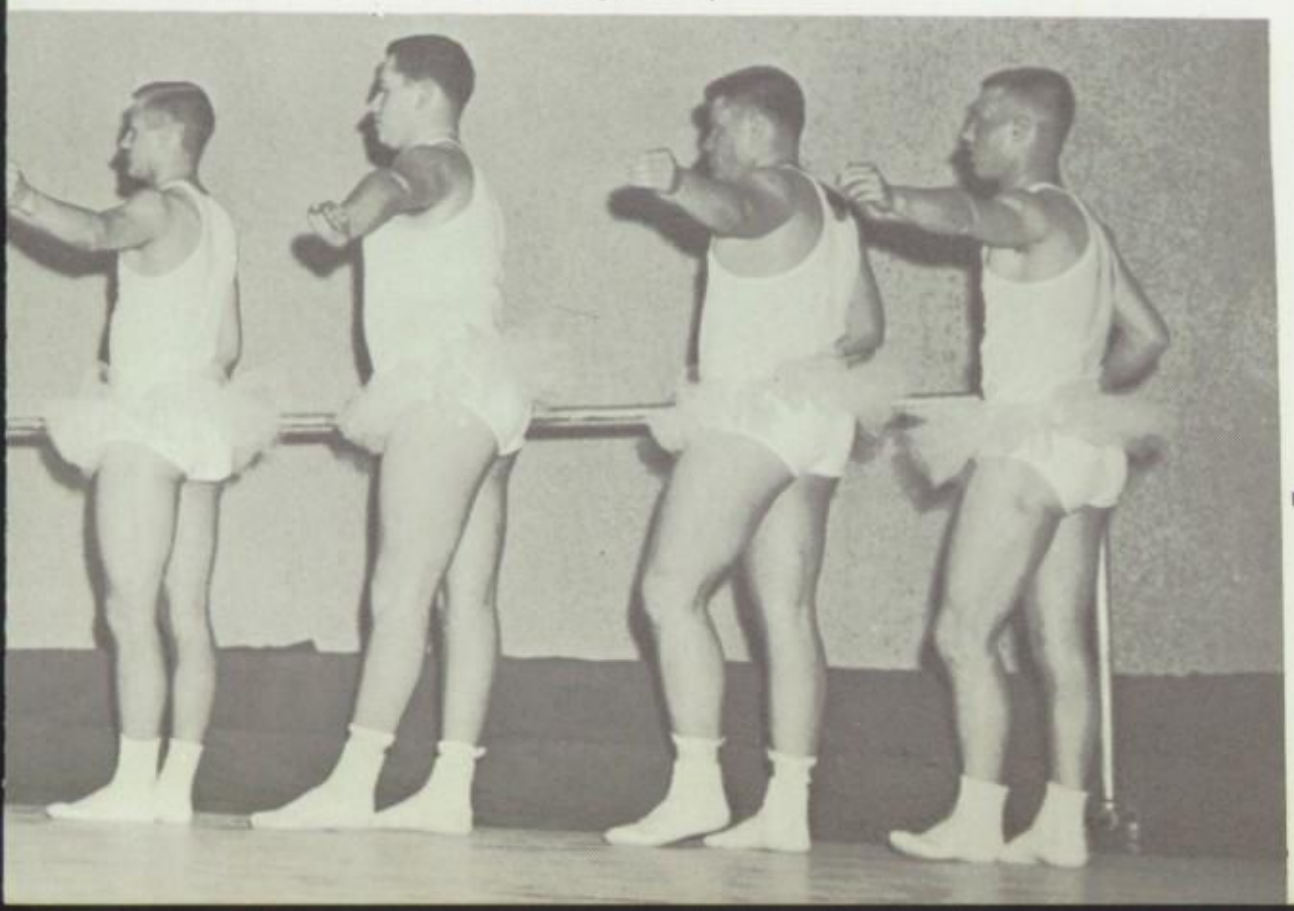


Steve Allen would have found worthy competition for his variety show in our 1957 Band Bounce. We had three dance lines, pantomime acts, singing groups and solos, our own dance band, the school marching band and combined choirs. This Band Bounce, under the direction of Mr. Stanley Schubert, Mr. Ralph Grueber, Mr. Kenneth Matthews, Miss Marilyn McBride, and Miss Rachel McMillan, was one neither the student performers nor the enraptured audience will forget very soon.

Variety Show Rivals Steve Allen

The majorettes show their formula for world compatibility: fun and understanding. From Hawaii is K. Johnson; from Jamaica, N. Beyer; from Russia, J. Dollhoff; from the United States of America, S. Kramer; from France, S. Otto; and from Scotland, N. Sarow.

Madame Patricia Day calls her attentive — and attractive, proteges to order. The boys, who later presented their interpretation of "Swan Lake" are G. Murphy, B. Serrin, B. Wells, J. Jerome, T. Varner, and J. Bailey.



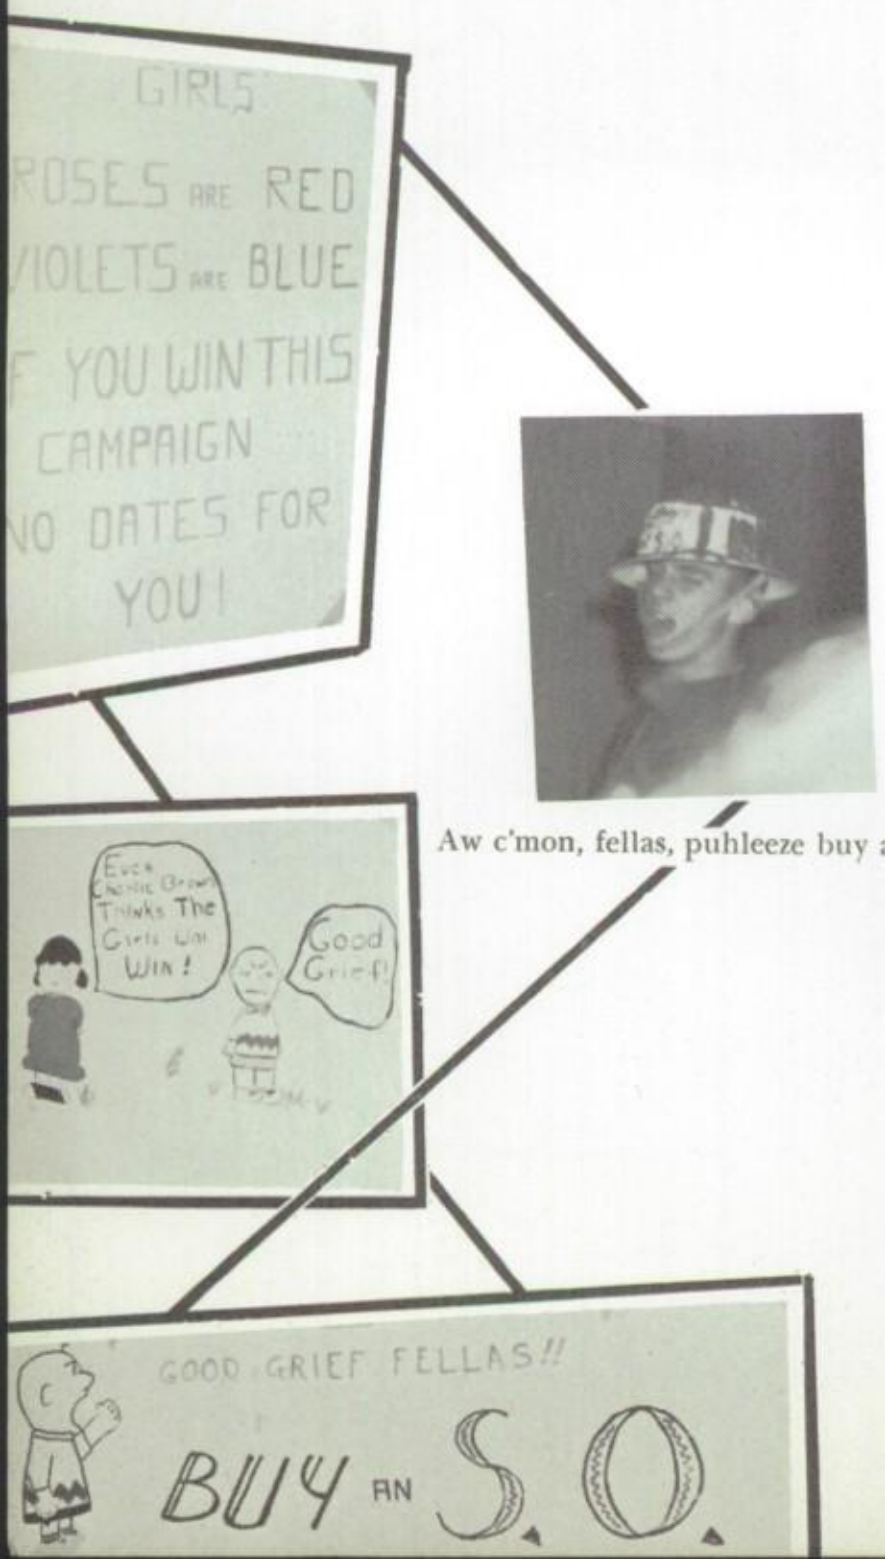
These are the defeated, but happy, girls: Sue Beatty, Nancy Needham, Miss Struthers, teacher sponsor, Jan Ellars, Mary Lu Townley, and Cathy McFarland.

The victorious boys' committee of 1957 was comprised of Jim Rae, general chairman, Roger Weir, Hank Collier, Ted Hummel, Icky Gouie, Lannie Bauer, Guy Moretti, and Bill Wells.

Girls Lost!!

This year the Student Council again decided to pit the boys against the girls in the annual Student Organization campaign. In the past the girls have almost traditionally won, and the boys have gotten the S.O. Assembly practically down to an art. They chose "Icky Gouie" as their main theme, which turned out to be a boy who didn't buy an S.O. and was decapitated and hanged upside down in the main hall for his crime one morning. The girls chose to take their followers on a trip "Around the World for $6.50." Well, it's all over this year, but perhaps next year it will be another story . . . we'll put our money on the girls!

These warnings and pleadings were the results of the propaganda committee's efforts to brainwash us.



Aw c'mon, fellas, puhleeze buy an S.O.!

Pandemonium breaks loose as the exciting campaign nears its end.

Our sturdy "football team" warms up before the gruelling battle with Saginaw High.

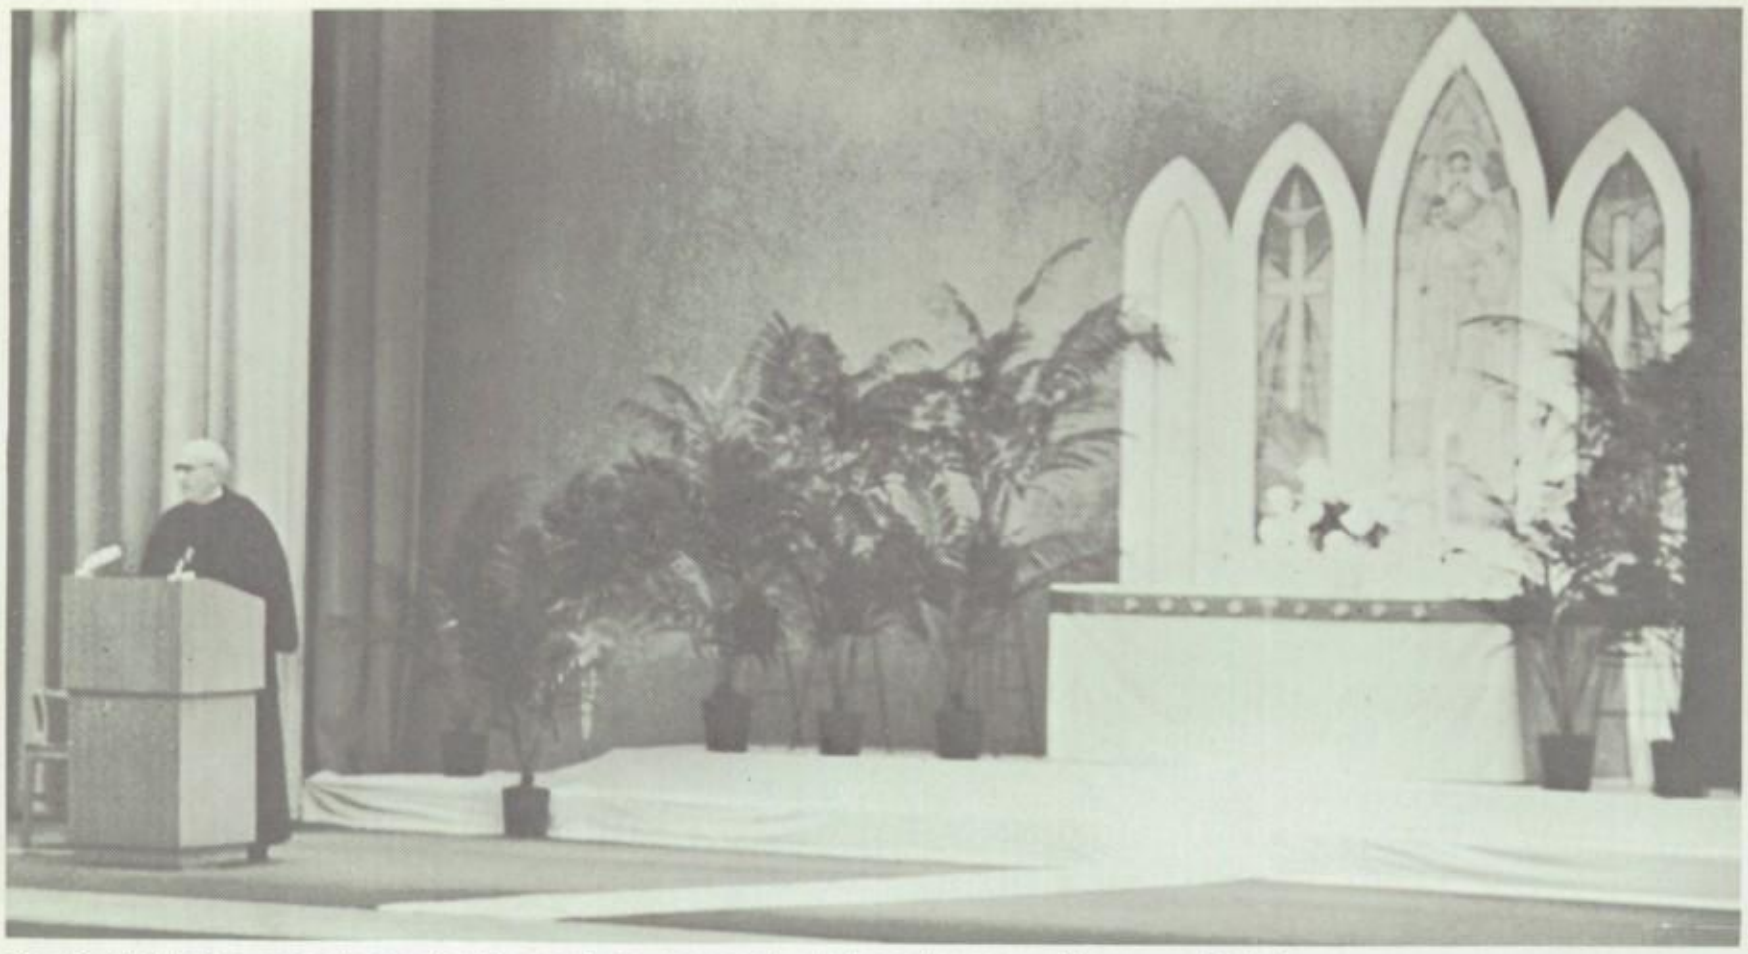
Go, Go, Go!!!

A school abounding with pep and school spirit — this is the goal of the pep club officers: Janet Inman, Vice-President; Nancy Needham, Secretary; Roger Weir, President; and Bob Hart, Treasurer.

Mr. Harve Light and Big 14 take a brief moment from their busy schedule to smile at you. In the back row are: Mr. Harve Light, Bob Ahrens, J. Wolf, B. Wells, J. Williams, G. Bishop, J. Bommarito, and Dave Carpenter, and in the front row: S. Cornish, S. Bublitz, N. Kerns, A. Strickland, J. Oglestone, and Y. Ely. Missing from the picture is J. Ellars.

Coats fly open and scarves are lost, but we had a wonderful time with our snake dance before the Saginaw High football game.

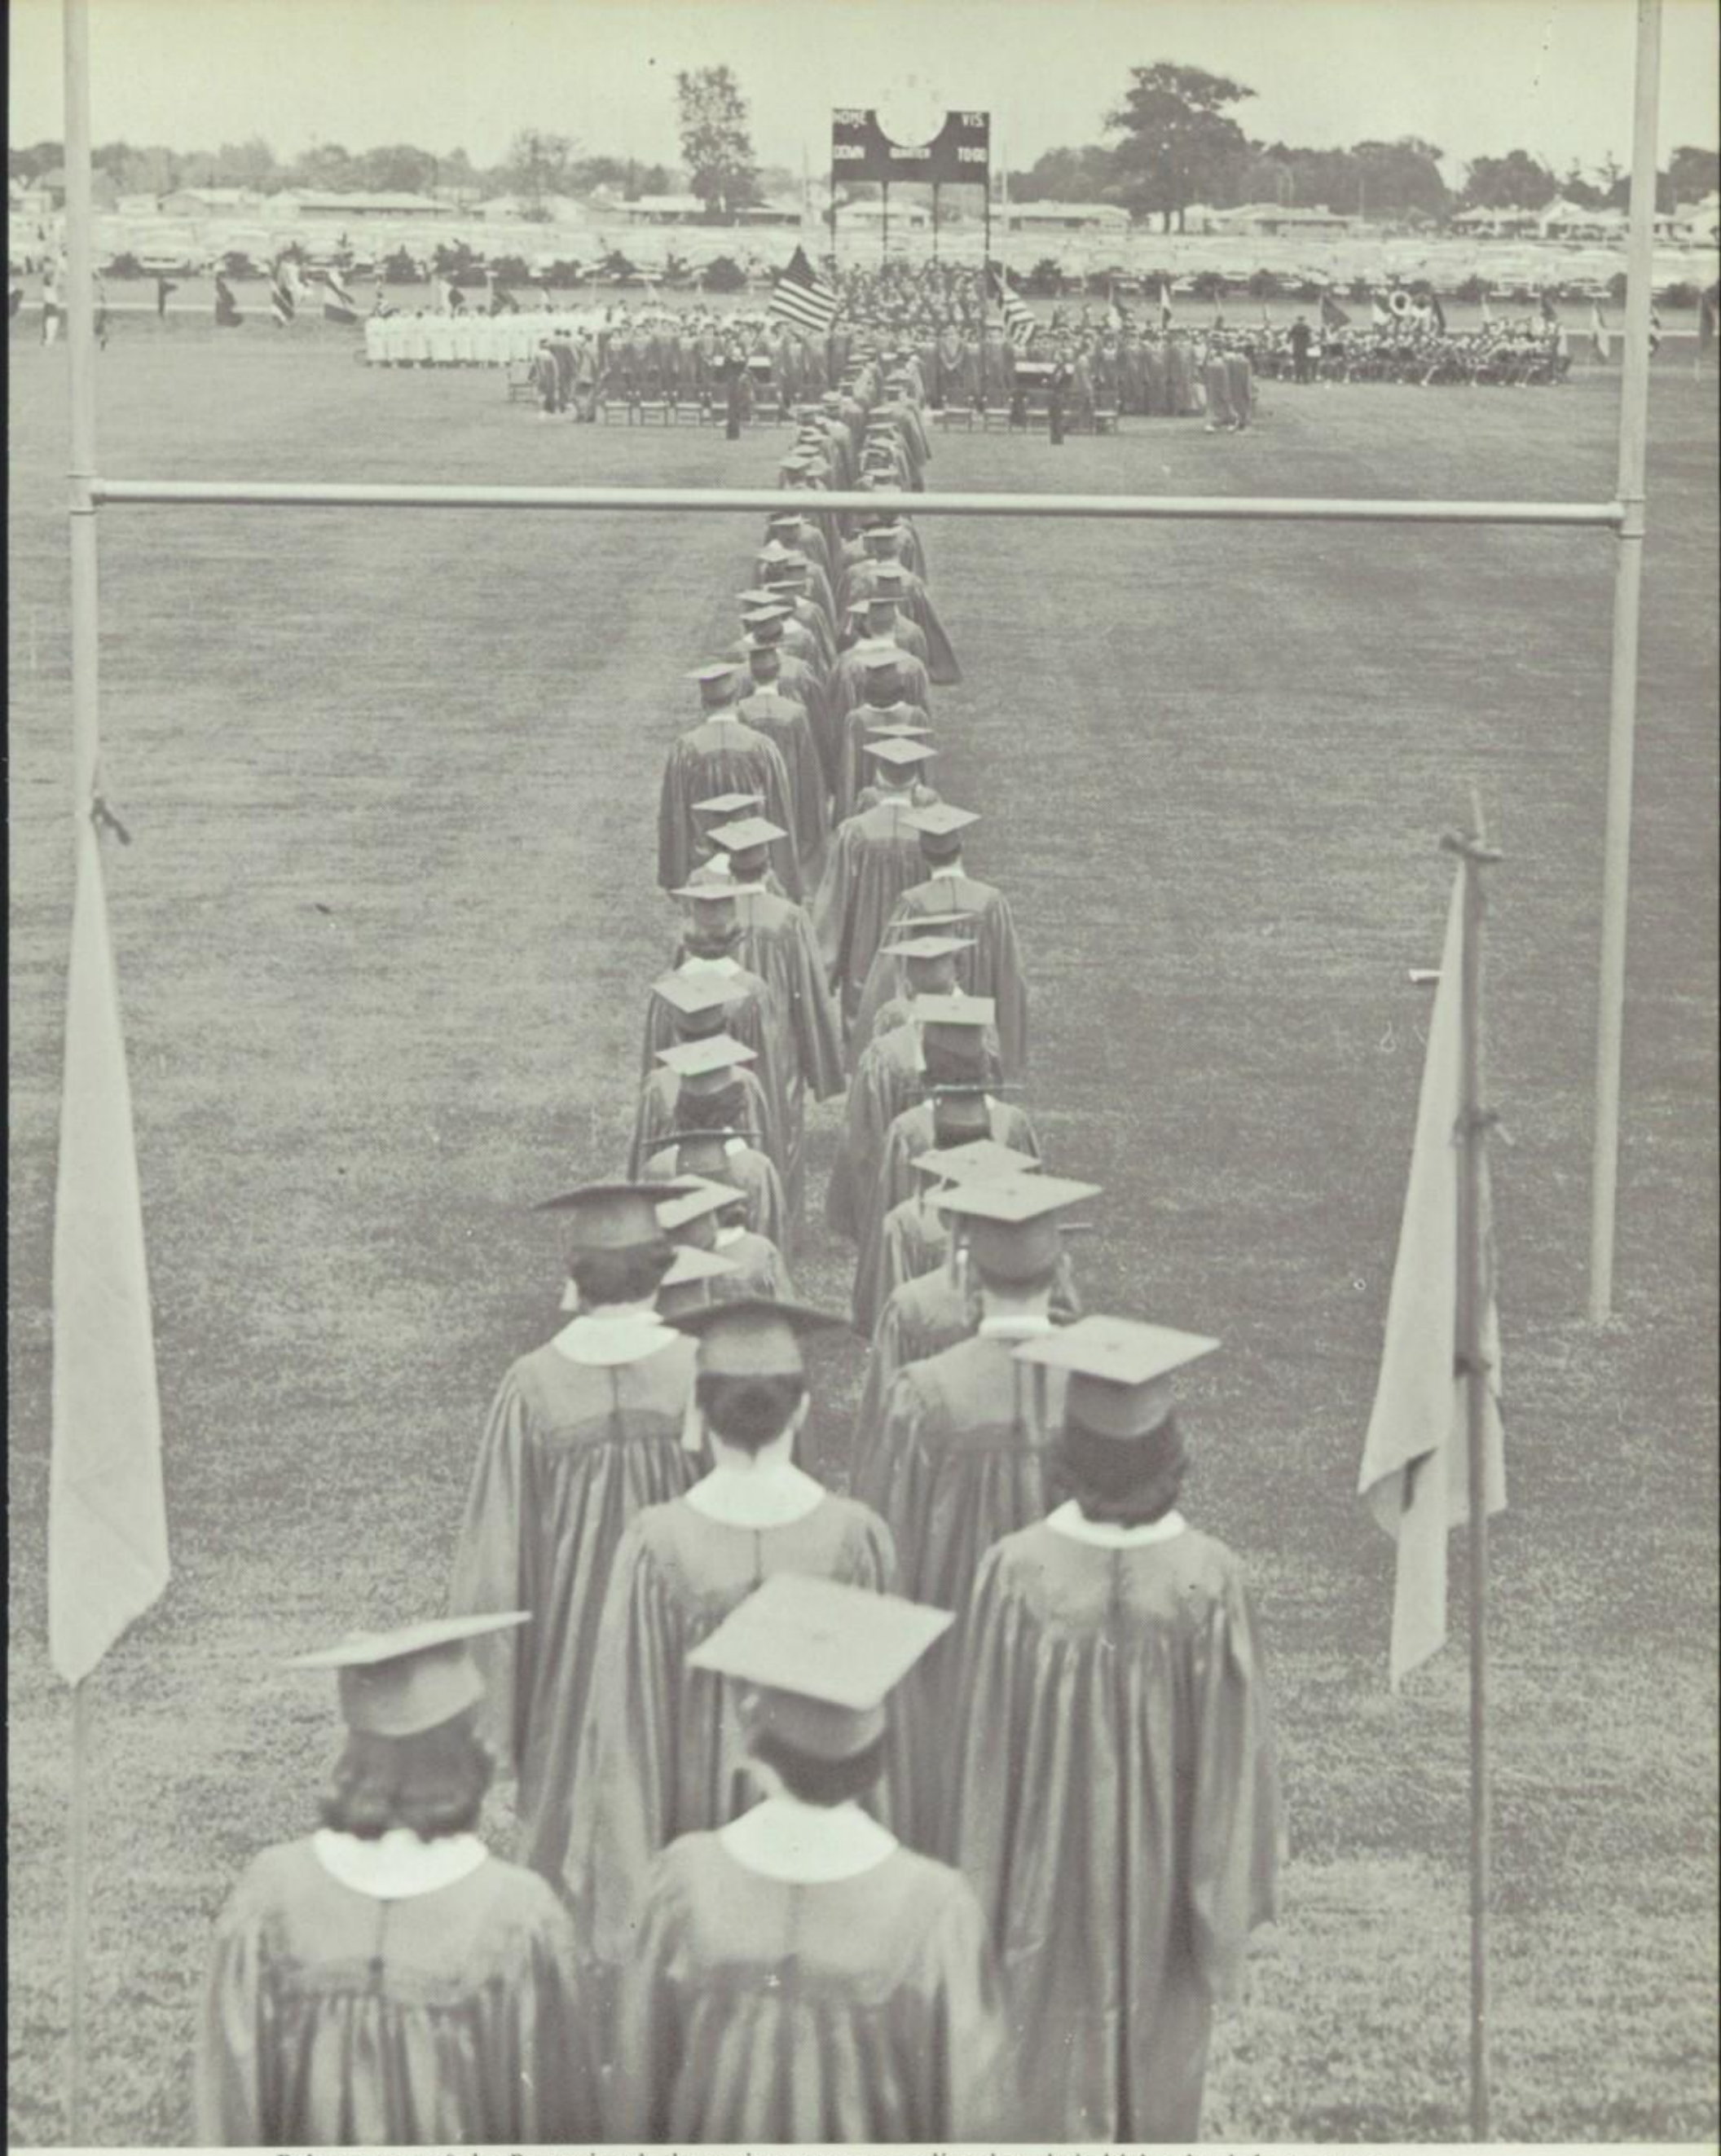
Seniors Part of Colorful Activities



Dr. Carl Fischer was chosen by the seniors to speak at Baccalaureate. He counseled them on the wise use of their futures.

Boys from the S.O. Assembly, the seniors of the a cappella choir, and the Homecoming Queen and her court sing of their special memories of Arthur Hill.

Imitation rose arbors and trees and false ceiling provided the setting for a senior prom we'll never forget.



Being a part of the Processional, the seniors come to realize that their high school days are over.

ADMINISTRATION

Saginaw has an able, hardworking personable new superintendent of schools. Mr. Charles C. Coulter was appointed by the board of education on May 3, 1957. First hand knowledge of the problems facing the Saginaw schools was gained by Mr. Coulter during his twenty-eight years in the Saginaw school system. In 1929 he first came to Saginaw as head of the science department at Saginaw High School. In 1940 he was promoted to assistant principal. Six years ago he became assistant superintendent. When Mr. Miller resigned he was named acting superintendent until the time of his appointment as superintendent.

The tremendous success of Business-Education Day is credited to Mr. Coulter's leadership and initiative. In the new age of science his experience in science makes him especially appreciative and sensitive to the need for added emphasis on education in that field. In his capable hands it is anticipated that the school system of Saginaw will continue to progress.

P.T.A. Plays Important Role

Playing an important role in affairs at Arthur Hill is a large and active P.T.A. The officers work through an organization made up of a parent representative for each advisory plus a student representative. A successful membership drive, open house, a card party, which is the only money making activity, and the Winter Picnic are typical activities of the group.

Everyone seems to be enjoying the annual winter picnic immensely.

Campaigns Feature AHHS Election

Bands, campaign speeches, posters, and various campaign buttons filled our halls last spring, as Hillites held their first all school elections. They were handled like the national elections, with campaign managers, barnstorming, and real voting machines.

The excitement ran high all week and had reached a frenzied pitch by the time the political assembly rolled around. At this assembly both candidates and managers made speeches. Then, fired by enthusiasm, Hillites voted during their study periods. When the smoke had cleared away Jim Rae was elected president of Arthur Hill. John Wolf was elected vice president and Marilyn Hart and Janet Inman were secretary and treasurer, respectively.

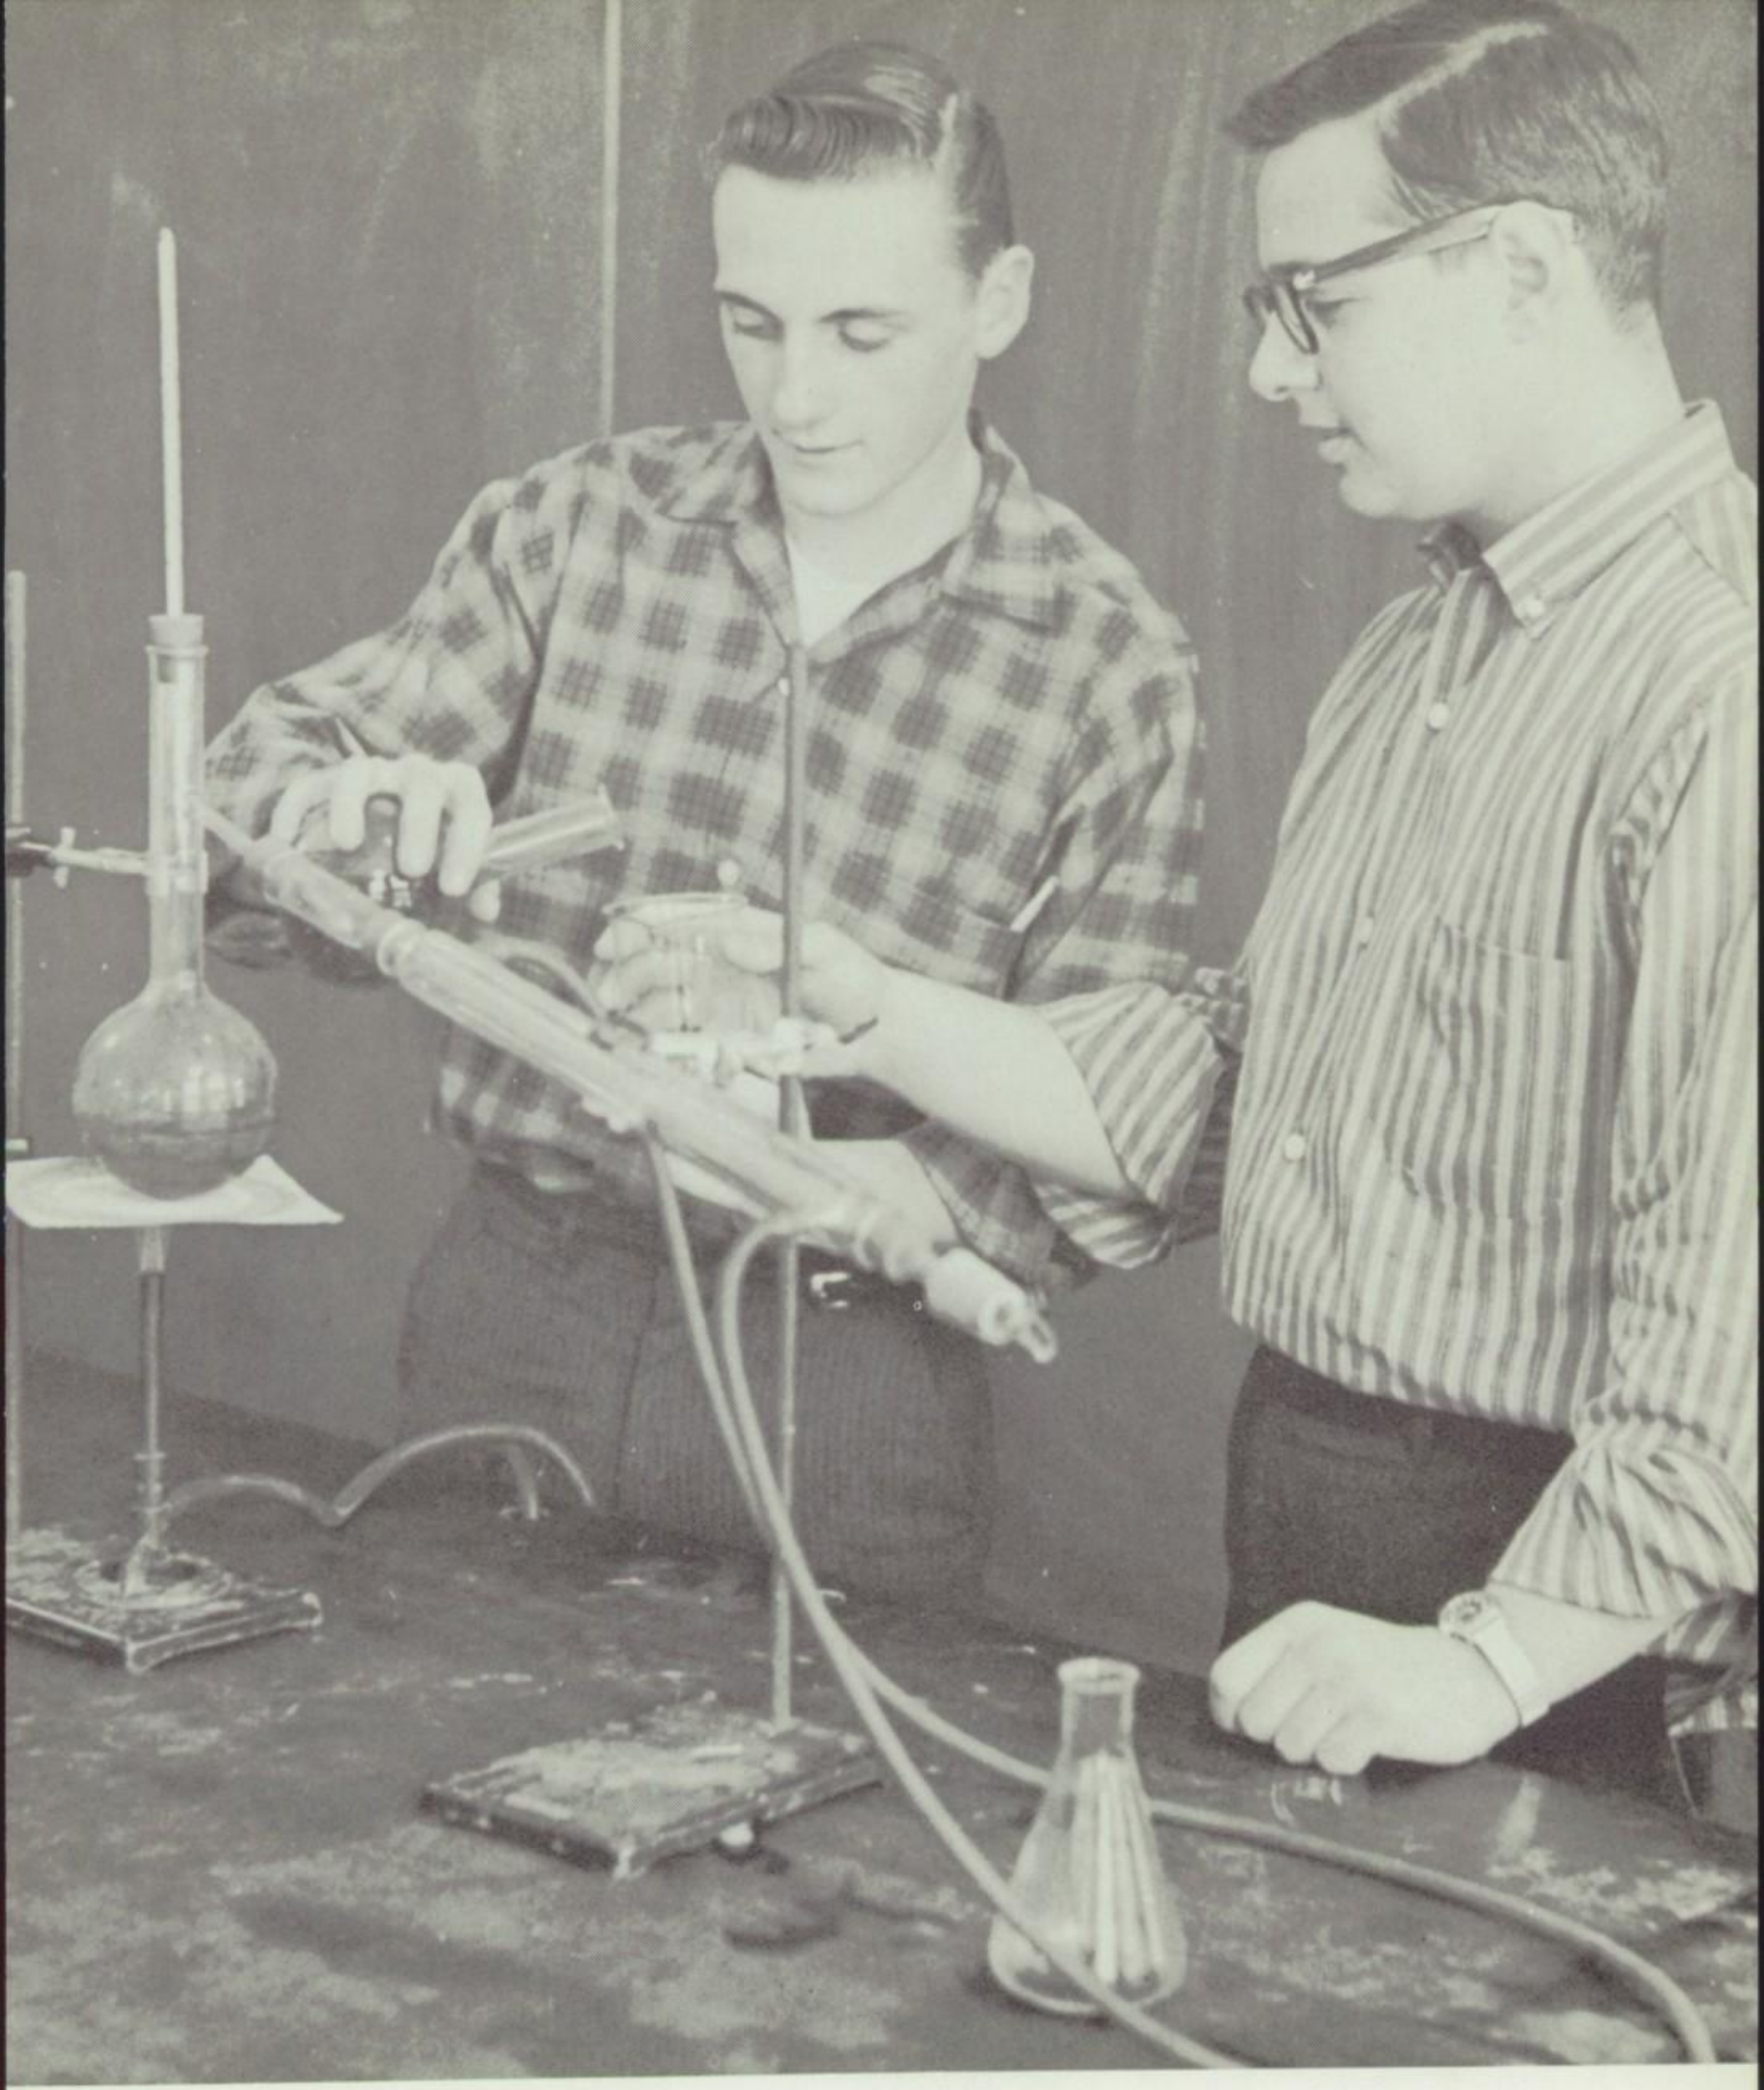
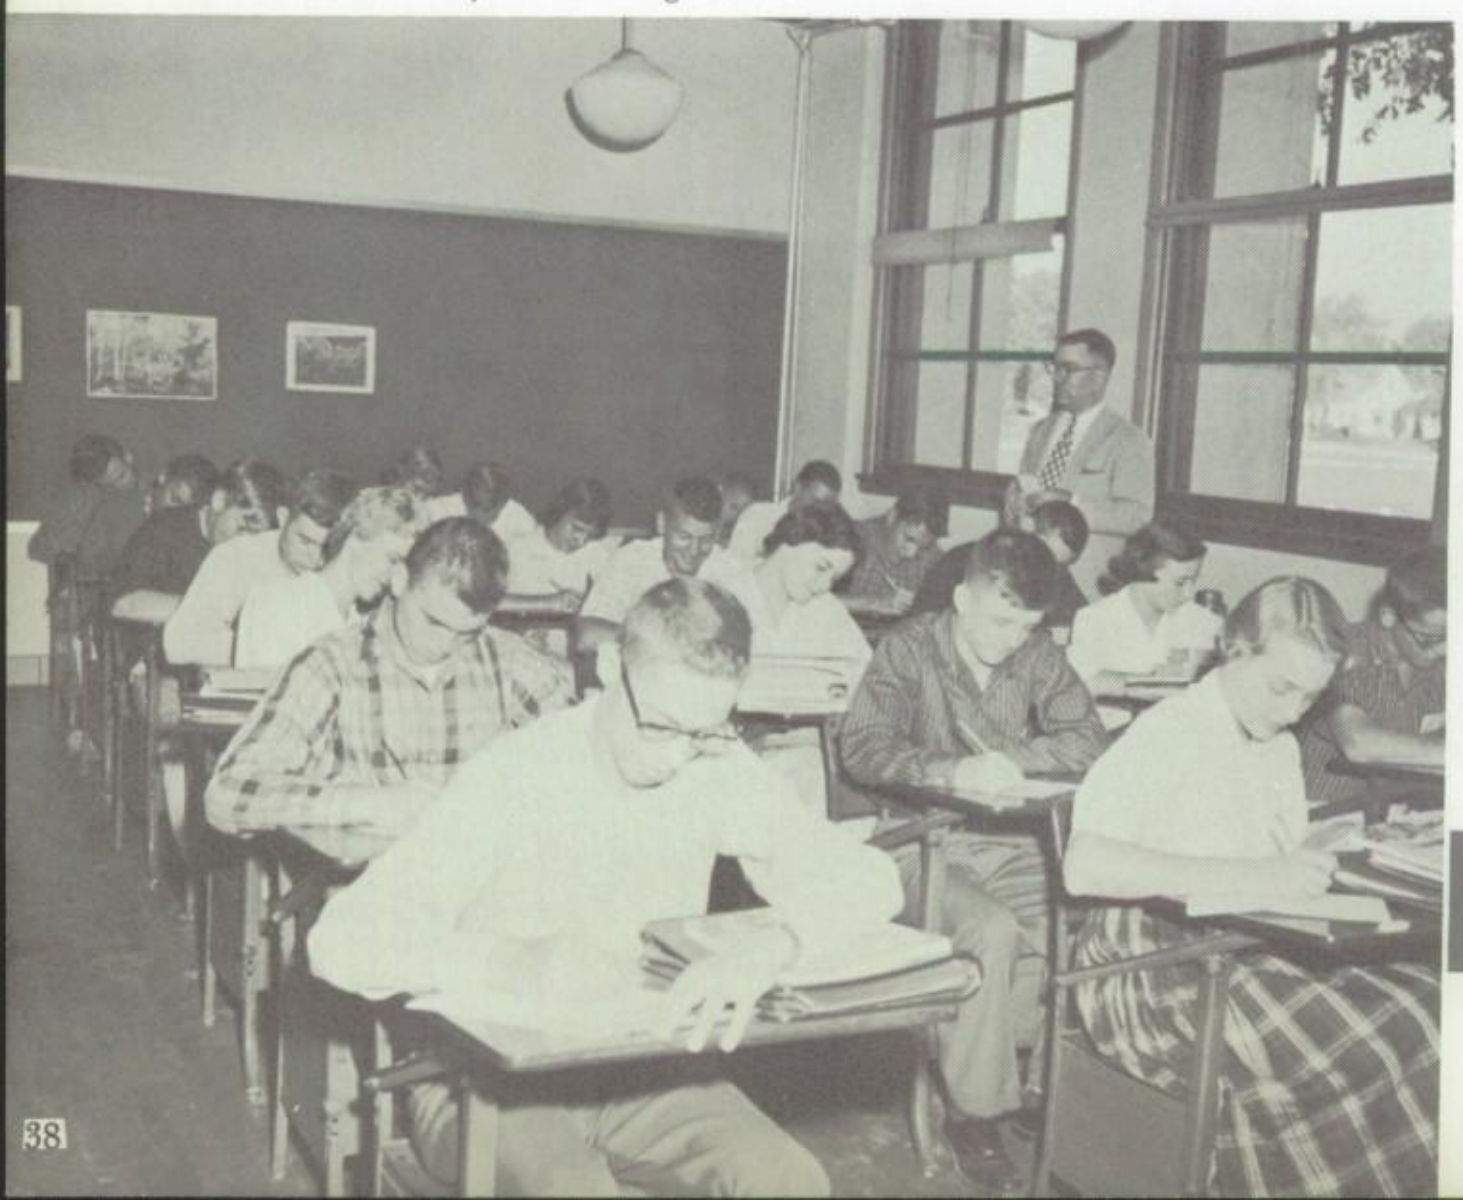
CLASSES



Judy Siddons, a junior, seems truly delighted about something Mr. Roundhouse just told her. Perhaps it was an "A" on her theme?

The library assistants are: FRONT ROW: Audrey Corwin, Mary Margaret O'Conner, Margaret Gonzales, Della Akehurst, Gail Wilson, Rebecca Munoz, Brigitte Gausa, Gayla Ramey, and Joyce Parker. SECOND ROW: Ruth

These sophomores, in Mr. Traver's English class are enduring the first of many spelling tests they'll take in high school.



Wolfgang, Delores VanBuren, Julie Vasey, Janice Campeau, Beverly Robart, Judy Fritz, Carolyn Spicer, Pat Heffel, Mary Lou Milbrandt, Judy Schultz, Lucille Kain, June Yeager, Leah Vorce, and Barbara Kelley.

Too much emphasis can not be placed on the importance of a knowledge of English literature and grammar. College students report that their most valued subject is English and all tell of its importance in college work. Whatever life work one chooses — law, teaching, science or engineering — English is essential.

The diagnostic tests, grammar exercises, book reports, and the weekly themes all lead to the desired goal of greater proficiency in the use of the English language.

Emphasis on English Justified

Audrey Johnson, a new senior at Arthur Hill, attends classes by means of the Executone, a wonderful device which enables her to participate in class discussions from her room at home. She can review class proceedings by playing back "the tape" later.

Suddenly that difficult passage in Spanish makes sense to Rod Causie, Fran Gilcrest and Bonnie Adams when Miss O'Dell interprets.

"We should study a foreign language until we can really speak it fluently" is a commonly expressed opinion among high school students these days. With national boundaries constantly shrinking and relations straining to the breaking point, it is more important than ever for this country to take the lead in promoting international understanding and good will. Aware of this and of the undeniable aid which the knowledge of a second language can be in furthering these interests, many Hillites are "bearing down" in the various language classes offered at Arthur Hill. They may take two years of German, three of French and Spanish and four of Latin.

Languages Promote Understanding

Roy Knoerr, Dave Peitsch, Carol Miller, Sharon Behm and Pat Heffel translate German. What does it say? "At seven o'clock I get up," natch.

# of People

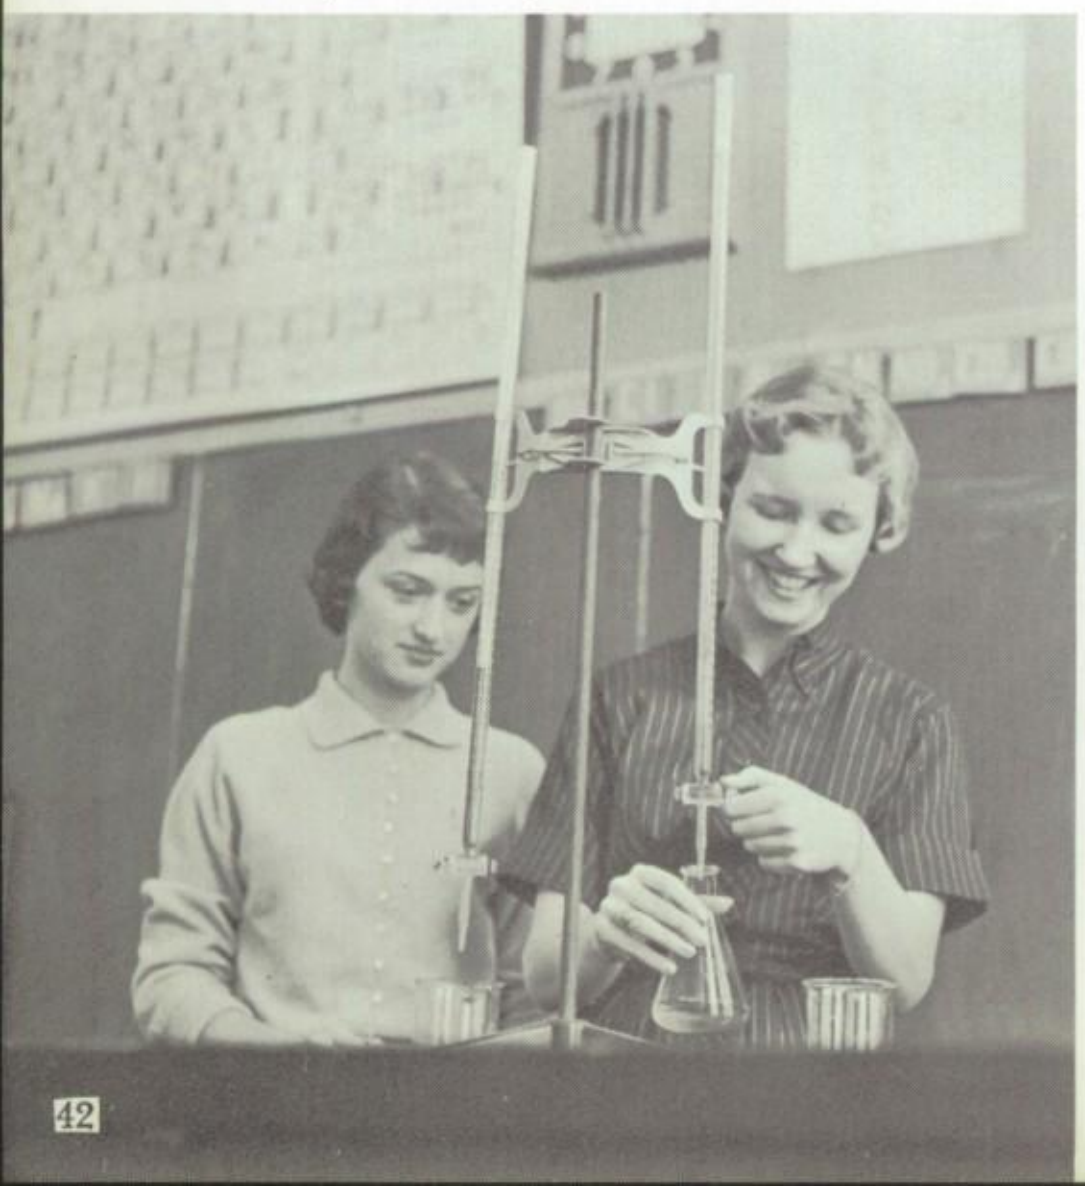
"Liberty, equality, fraternity . . ." Joanne Bush, Judy Neiderstadt, and Sue Kessell proudly raise the French flag over their classroom.

"The soul, though invisible, is immortal." Translating Cicero in Latin are Sue Kessel and Barbara Galsterer. Miss Turner is ready to lend a helping hand.

Studying the circulation system of the frog are Marilyn Lentner, Ken Kuelske, and Karen Kraft. Karen is pointing out the dorsal aorta.

We Face The Future In Science

Sandy Cornish and Mary Johnston are proving the law of relative proportions of acids and bases. The burettes used in this experiment are all hand-ground glass and are very sensitive, expensive instruments.



Due to recent Russian scientific advances a new emphasis is being placed on the already popular science courses. There are some fifty classes a day at Arthur Hill and these include chemistry, physics, biology, psychology, natural science, and homemaking.

The biology student studies the broad field of all life, plant and animal, that inhabits the earth. From dissections of crawfish, worms, and frogs he learns about human as well as animal life.

In physics he studies power work, matter and energy.

Chemistry students learn about the chemical makeup of matter, atomic structure and molecular weights. The future chemists spend many hours in the laboratory mixing various chemicals and observing and charting their reactions. They have to be able to recognize, write, and balance formulas.

Biology is generally taken in the sophomore year, physics in the junior year and chemistry and psychology are senior subjects. Mr. Dersch, head of the science department, feels that students are offered a very fine curriculum.

"No, they're not skipping rope!" Kay Barnard and Pete Ellithorpe are representing sound waves for the physics class.

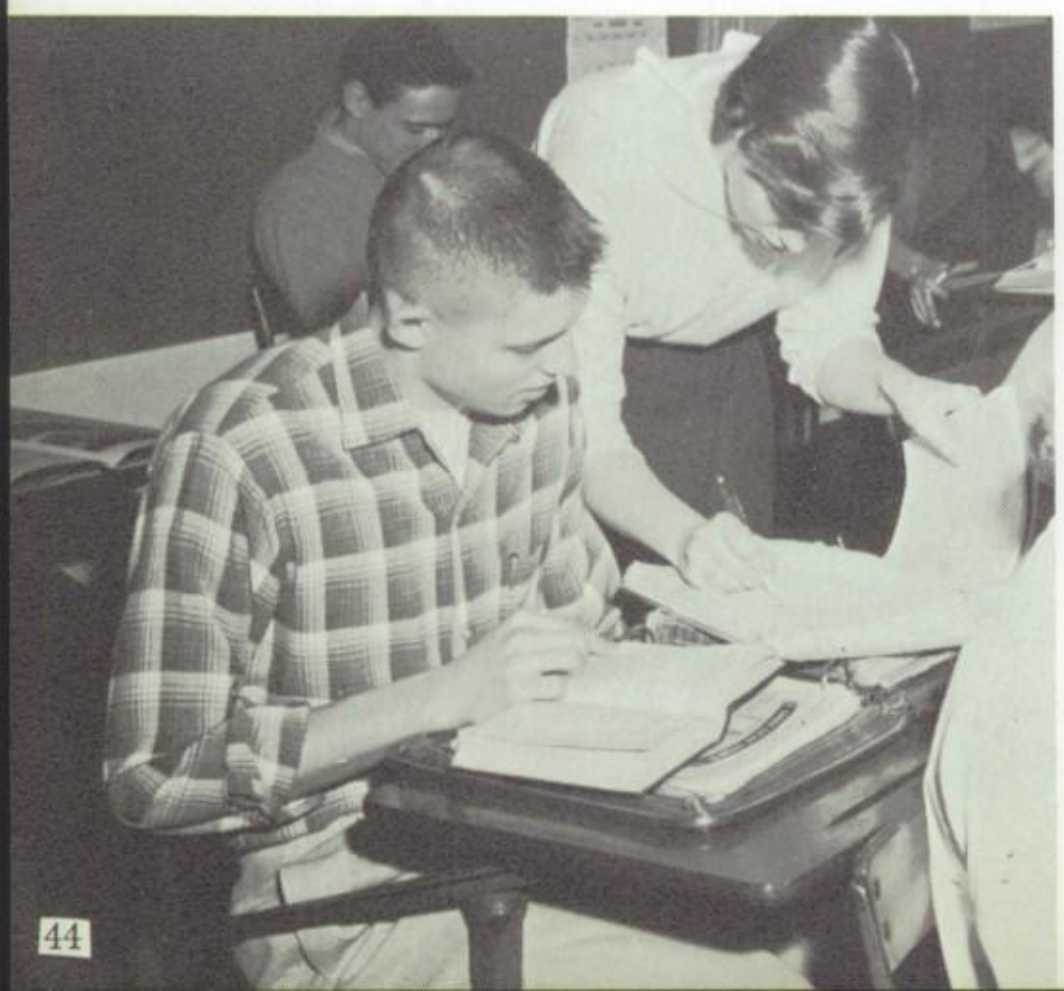
This is science? The study of phrenology may not be scientific, but it is one of the things psychology students enjoy most. Here, Mike Smith, Sally Ervin, and Lula Swetz are studying the lumps on the head of their bald friend.

Boy, do they look good! Bonnie Burk and Kay Barnett are preparing eggs for breakfast in homemaking.

John Schneider seems to have completed the proof of a difficult Trig problem, to the admiration of Sharon Whitney, Mike Seidel, and Sue Bublitz.

Equations and Logarithms

"Now if you multiply by x . . . yes! That does it!" Kathy McFarland is helping Jim McCargar with his Algebra homework in advisory.



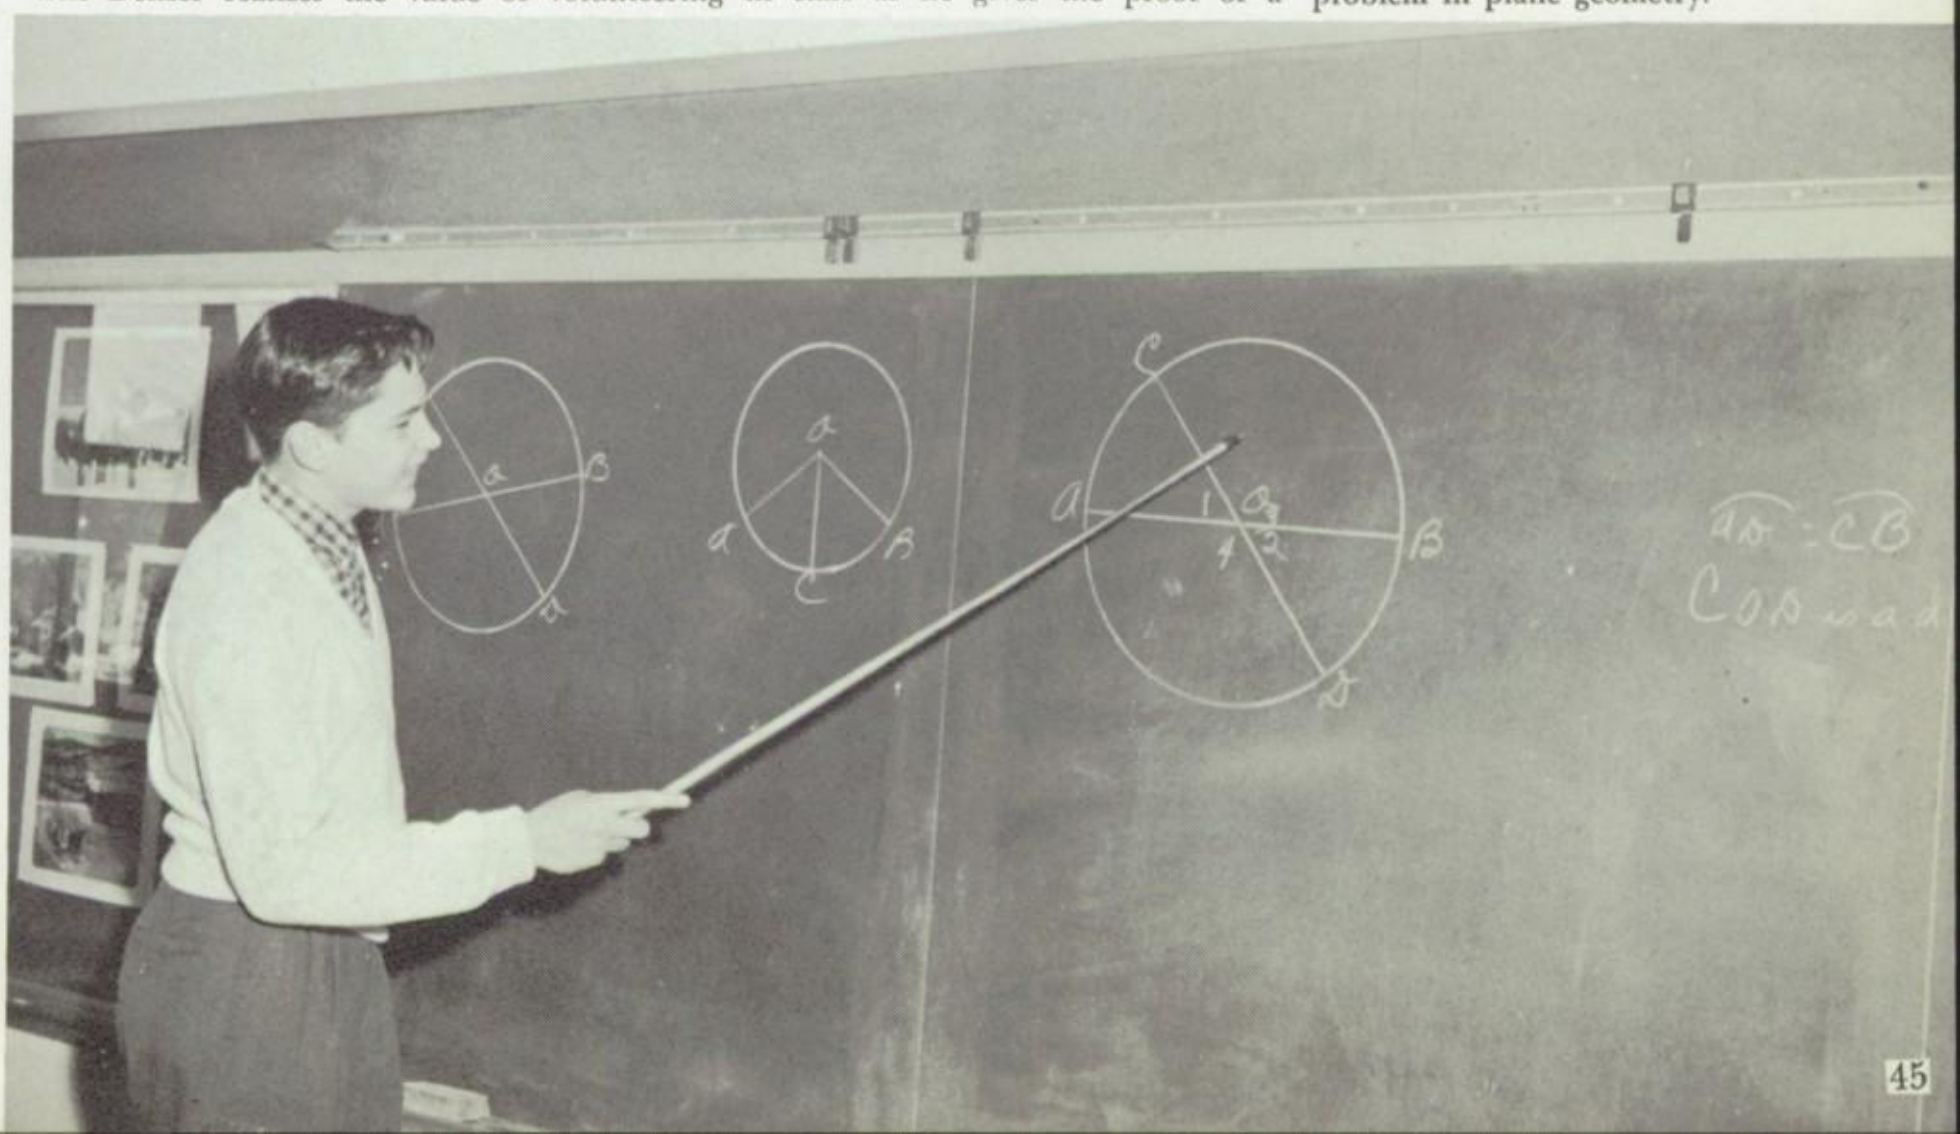
From exponent to logarithm, from algebra to trigonometry — math plays an important part in the lives of its students. Our courses in math have a common goal: to promote clear and logical thinking through sound reasoning and practical application.

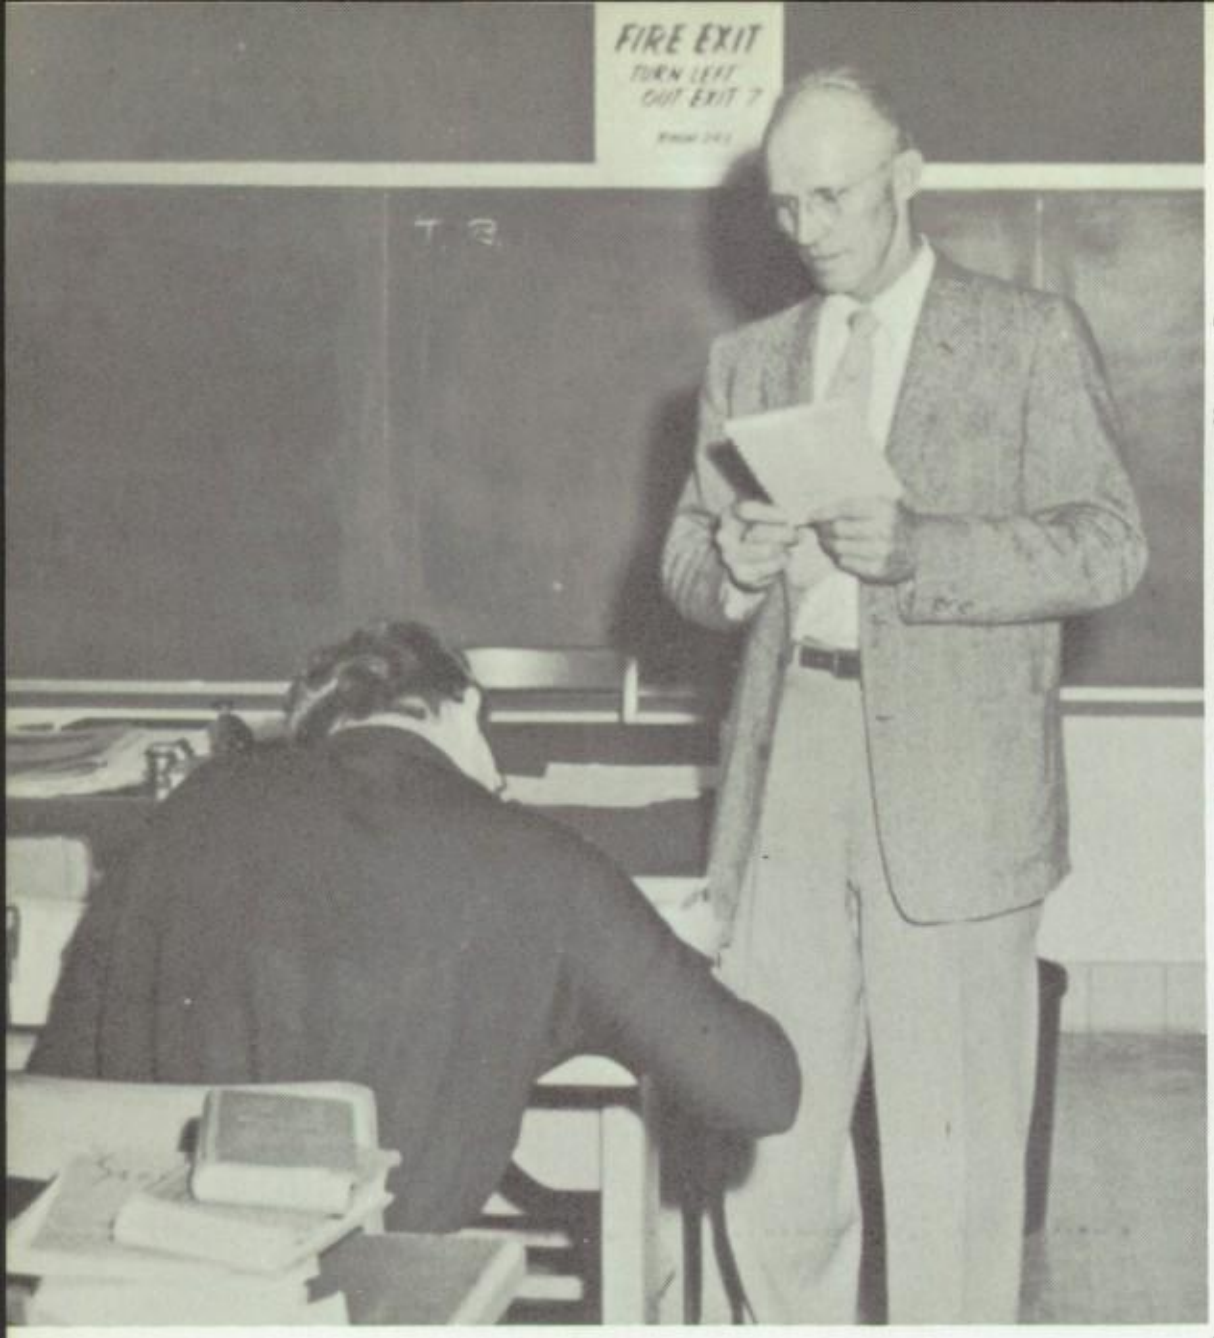
Tools ranging from the slide rule, compass and protractor down to the plain old pencil and eraser are familiar to our advanced math students. All are working toward a better understanding of math and reasoning, which helps the students to face problems and figure out their solutions by themselves.

As the head of the math department, Mr. Giesecke makes sure that the math courses are suitable to fit the needs of every student whether he wants a general mathematical background or is a budding engineer or scientist.

"Through a given external point there can be drawn one, and only one, perpendicular to the plane," explains Tom Kackmeister to Roselyn Kent. Three dimensional forms prove helpful in explaining geometrical theorems.

Bill Denzer realizes the value of volunteering in class as he gives the proof of a problem in plane geometry.





Mr. Senn is checking grades in his bookkeeping class.

Business Education grows in popularity every year at Arthur Hill. This department, headed by Mrs. Gunther, offers typing, shorthand, transcription, bookkeeping, retailing, and office training.

The student's goal is to prepare for employment in his chosen field. Typists aim at 60 words per minute, bookkeepers try to balance their books, and retailing students learn to meet the public by working in the student store, while office training students get on the job experience.

Business

These shorthand students seem fascinated by what Mr. Kleekamp is saying.

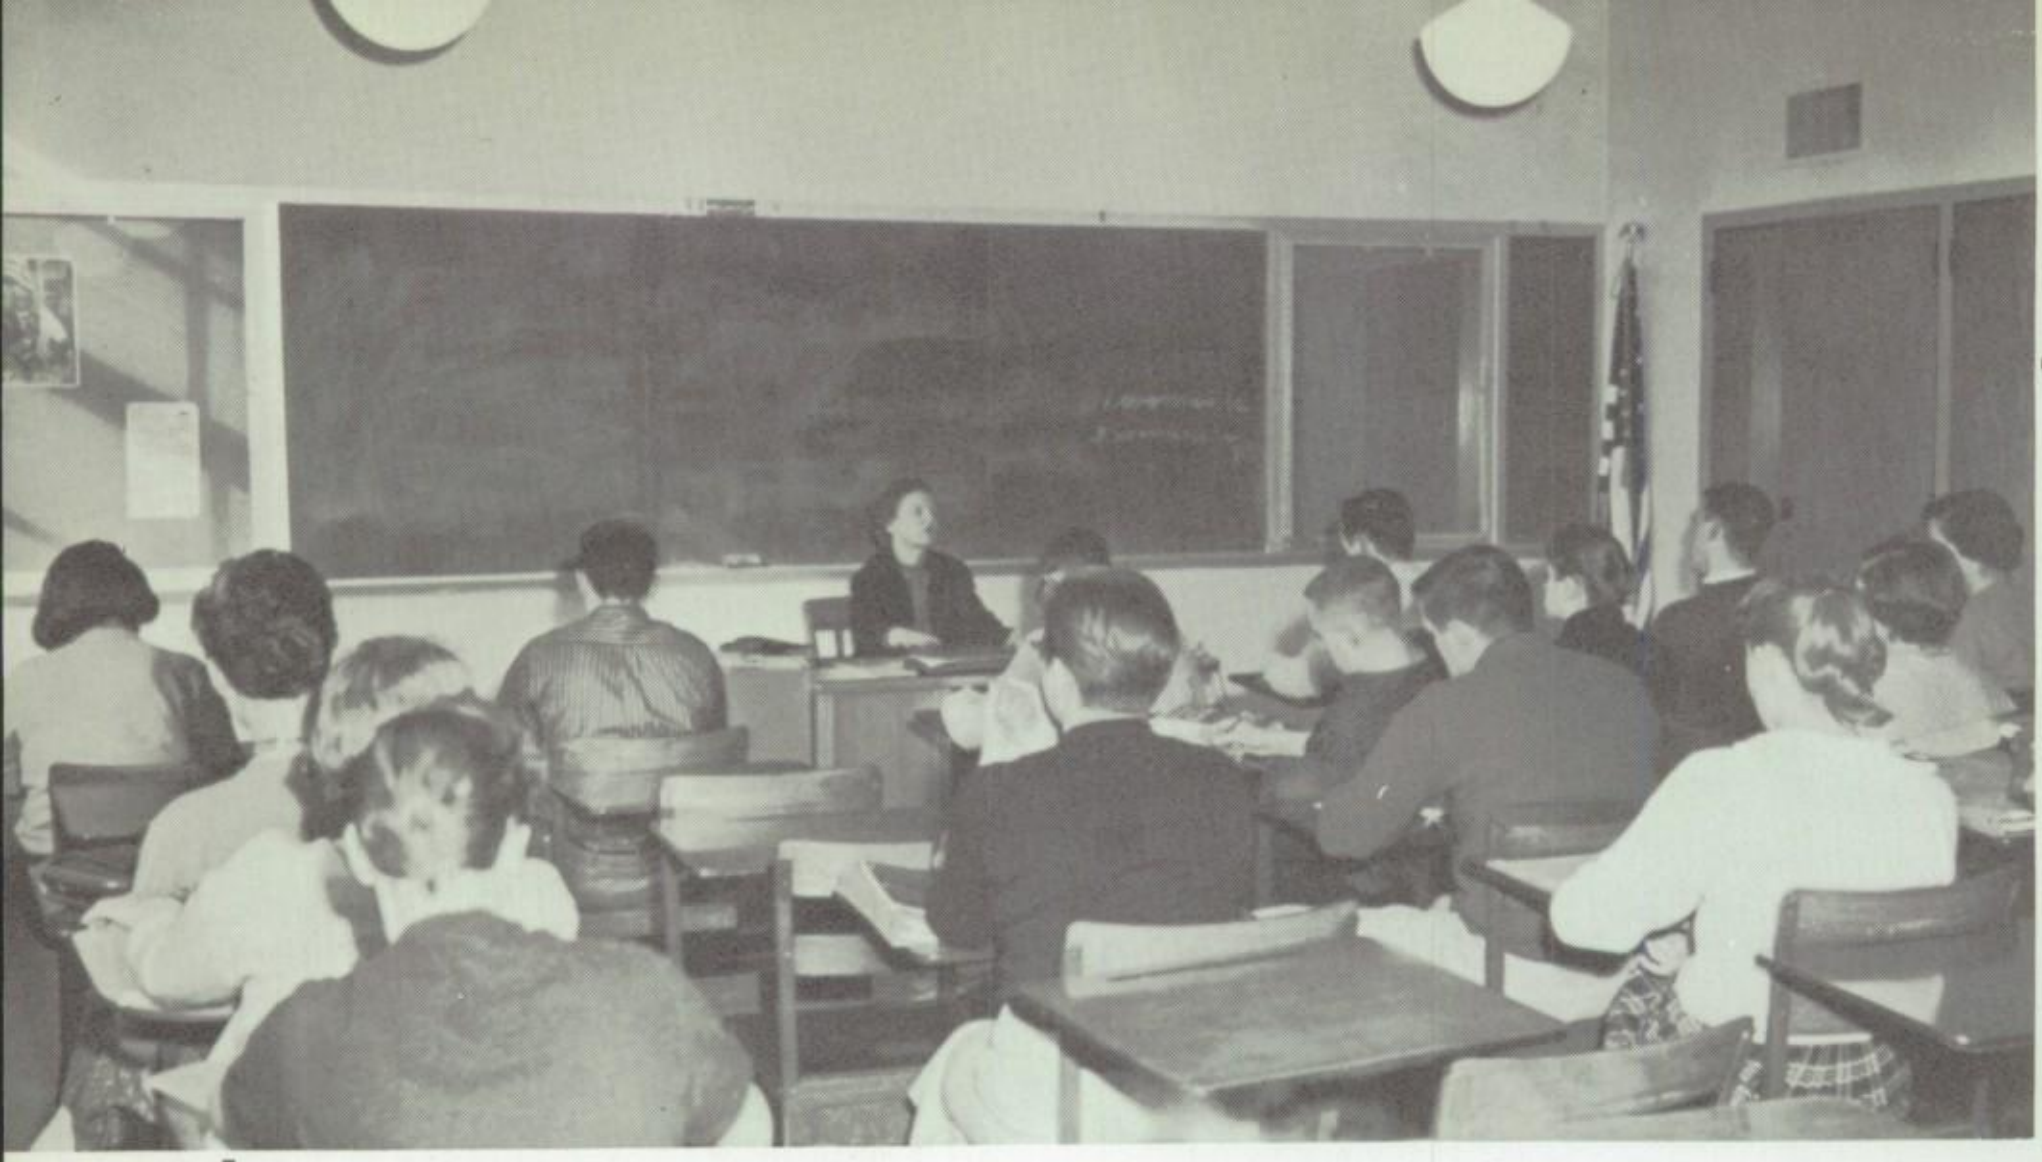
Nowhere, but no . . . where . . . do you get the service you do in the Arthur Hill student store from clerks, Penny Van Wormer, Gail Staudacher and Judy Porter. Ask Tom Schadt!

Mrs. Gunther checks the progress of her typing students.

Education Pays Dividends

Immediate dividends are realized by students specializing in Business Education at Arthur Hill. Part time employment while in high school, placement in jobs with a future, training in subjects with practical application on the job are just a few of the attractions of the course.

Senior girls from the Co-op club enjoy putting on and modeling in their own style show. "Ummmm, feel that fur."



Government students of Miss Struthers believe that understanding our democratic system of government becomes increasingly important as we are put "on the spot" by recent Russian scientific advances.

Around

Mr. McCargar points out a trouble spot in Europe to Bill Miller and Carol Thume.

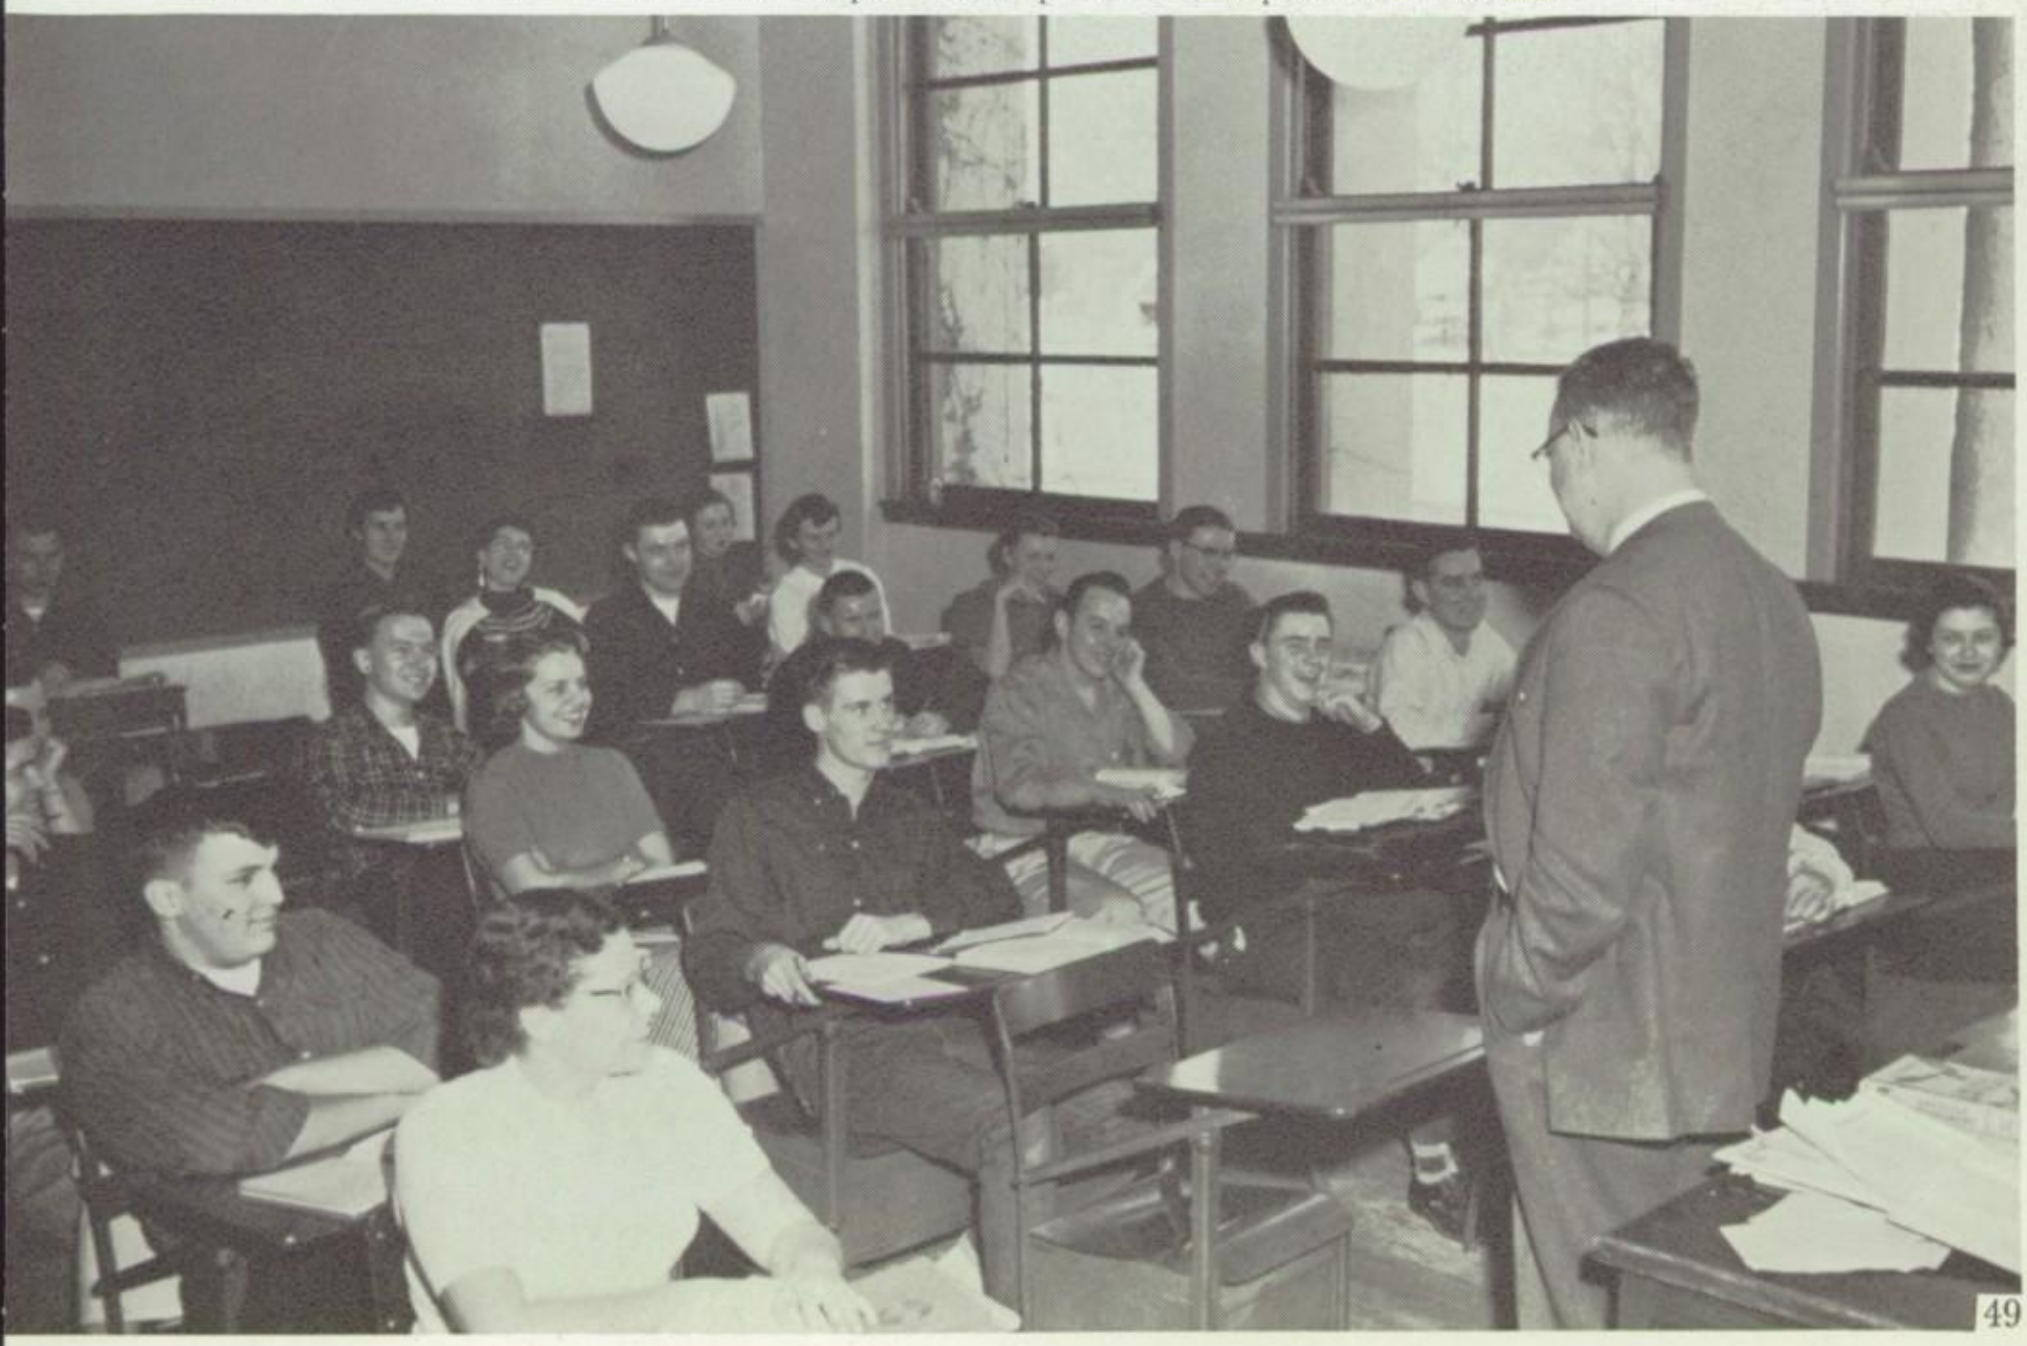
Perhaps we can't all take a trip around the world in a balloon, but we still have the opportunity to visit the far corners of the earth from our classrooms. At Arthur Hill American history, government and economics are required of every student. In these classes we learn our country's history from the pilgrims to the present, and the workings of our governmental and economic systems. In addition to the required subjects, geography and world history are offered as electives.

In the social studies classes we learn to apply the past to present day experience, study the ways of other people, and learn to take our place as responsible citizens in the world of tomorrow.

Nancy Renshaw, Becky Rigg, Linda Schiff, Dave Miller, study the map in Mr. Harvey's American history class.

the World With Social Studies

"If I sell a man a truck . . ." Mr. Stewart explains a complex economic problem to his class.



The lights are dimmed, a hush falls over the audience, and the Arthur Hill choirs begin to sing. Whether you prefer a rousing sea chanty or a stirring spiritual, the choirs, under the direction of Miss Rachel McMillian, provide your favorite kind of music.

The a capella and two girls' choirs sing on many occasions in and out of school, fulfilling their objective of furthering musical interest and entertaining their audience.

Throughout the school year the Instrumental Music Department is on the job. In the fall the marching band plays at football games, handling complicated formations with facility. Later the band, orchestra, pep band, and dance band play at dances, concerts, the Band Bounce, rallies and assemblies.

Music! Music!

A blare of bugles! A ruffle of drums . . . ! Hillites thrill as director Kenneth Mathews puts the Arthur Hill marching band through its paces.

Music!

Hillites are mighty proud of their sharp majorettes. The girls are Fran Phillips, Joann Fleigel, Sue Otto, Sandy Parker, Pat Hazen, Sandy Rosenberg, and Betty Hales.

Inches, Bylines,

Being on the News staff challenges the imagination, energy and writing ability of students. Beginning with Journalism I the would-be journalist gets an opportunity to show what he can do and if he proves he has - what - it- takes he graduates to a position on the staff. He must meet deadlines by anticipating events, be constantly alert and spend long hours on the job. His reward — counting his inches of course.

All the important decisions on the *News* are made by the members of the editorial board: SEATED, Ute Siefert, Martha Munck, editor-in-chief, and Carole Schemm. STANDING: Janice Rock, Mike Tyner, Tom Abler, and Dianne Orr.

Filing, finance and photography on the *News* are deftly handled by Barbara Gerow, Joann Fox, Sue Frye, Judy Clark, Pat Boyd, Ann Leesch, Lucy Blynn, Sue Chandler and Jim Bradt.

Another scoop for the Arthur Hills *News*? Credit reporters: standing, Pat Trew, Sue Hale, Marjorie Schode, Connie Bourcier, Laurie Hassberger, Carol Pitsch, Mary Olds, Kathy Zahn, Barbara Holzhaur, and Betty Usewich; seated, Judy Clark, Janet Glick, Linda Stiehr, Jan Zehnder and Mike Hill.

. . . . Deadlines!

Legenda staff members assume the responsibility of telling the story of the year as completely as possible. In addition they strive to turn out a book that is attractive, original and truly representative of the school. Hard work, joint effort, responsibility, planning, imagination, creativeness, long hours—plus much good will and comradery go into the production.

$2,200. Everything checks!" Advertising editor Louise Brockless and Bill Peloquin get an assist in figuring the grand total of advertising sold from Judy Turner, classroom editor, and Donna LaDouce, honors editor.

Almost finished! Seeing the finished pages take shape is one of the satisfactions of yearbook work. Martha Asman and Ann Louise Hannon, club co-editors; Sandy McIntosh, administration editor; and Pam MacRae, special events editor, are pleased to apply the finishing touches.

"Oh, what a good picture of . . ." It's a lot of hard work pasting up the album pages, but it does have its rewards. Barb Mack, art editor; Sharon Posey, sophomore album editor; Carol Stuart, senior album editor; and Marcia Pfeuffer, junior album editor, paste the senior pictures.

Deciding on the division page pictures is an important part of the work. David Braun, athletics editor; John Boyse, chief photographer; Kathy Janssens, editor-in-chief; and Terry Hammond, photographer, are looking at some enlargements.

"That looks like a winner!" exclaim Ann Strickland and Betty Kerr as they examine Kathy Ross' safety poster. Carol Voelker pauses in her work to admire it too.

Art Inspires Originality

Posters anyone? A sign perhaps, or a picture to brighten a drab wall, some stage scenery, table decorations or program covers? Just see Mrs. Siehr in the art department. Sometimes it seems that the art department should be listed among the service clubs. It always seems to be doing something for someone. Its products are so much in demand because of their quality and beauty.

Cinderella? Well, not exactly. Perhaps this model will never be a real princess, but Hillites certainly appreciate her as part of a wonderful display made by the art classes.

Advanced art students, John Wilbur, David Jacques, and Beverly Dusek have to admit their work looks pretty good on exhibit.

Lathe work takes know-how and concentration. Dave Bauer demonstrates.

Do-It-Yourself in Crafts

Would you like to do-it-yourself? Make a ring, an end table, a house model? Then craft classes and the industrial arts are for you. They offer you an opportunity to be creative – to carry a project through to completion. Besides learning to use tools skillfully there is the added enjoyment of carrying home the finished article with a proud exclamation of, "I made it."

House models provide a fascinating project in mechanical drawing. Tom Tarrant and Don Zimba critically appraise a fellow student's attempt.

It's Fun. . .Fun. . .Fun. . . !

First choice of many among all subjects on the curriculum is gym. All sophomores and juniors are required to take gym and art of living, alternately. In gym classes students do exercises, play basketball and volleyball, and learn to swim.

In the sophomore art of living classes students become acquainted with high school life, and in junior classes they study personality and good grooming. Part of the course is also dedicated to driver education.

Volleyball practice is a favored activity

Dorthy Fidlin, Nancy Brock, Glenna Linnbaugh and Sally Teboe give serious thought to careers in art of living class.

It's not all play you know. This boys' gym class demonstrates one of their daily exercises.

Oh, man! Is this water great! Miss Rockwood's swimming class is enjoying a brief free-swim before instructions begin.

"Our worthy opponents have stated . . ." says Barb Bliss, referring to Jaci Floeter and Nancy Needham. Her partner, John Wooll, and the rest of the class listen with interest.

"Speak the Speech I Pray You"

Judy Neiderstadt, Carol Catrain, Mike Pohlman, Tamara Belecony, Dale Lantz, and Nyla Kurtz are the finalists in sophomore declamation, the only phase of the spring speech activities reserved for sophomores.

Would you like to learn to give readings like Charles Laughton? Public speaking is for you! Public speaking is an experience that every high school student should have. The confidence and poise acquired in public speaking carries over into all other classes at Arthur Hill as well as college or the business world.

After taking public speaking many students are so interested that they wish to do more advanced speech work. Despite the hard work, debate offers a wonderful opportunity. Regularly scheduled debates are held with other schools. Mr. Grueber, head of the speech department, stresses the will to win and the effort put forth more than the winning.

Connie Holmes and Jim Roethlesberger are more interested in each other than Thirza McKinnon, Joann Jones and Ronnie Minnard. It's perfectly all right though because it's all part of the script they are using for their play in public speaking.

Driver Training Grows in Popularity

Perhaps one of the biggest thrills of our high school days comes when we drive a car for the first time.

The driver training student, instructed by Mr. Edwin Jahns, learns not only how to drive, but also how to care for an automobile. At Arthur Hill we have twelve cars, and students are excused from their gym classes for ten days of behind - the - wheel training.

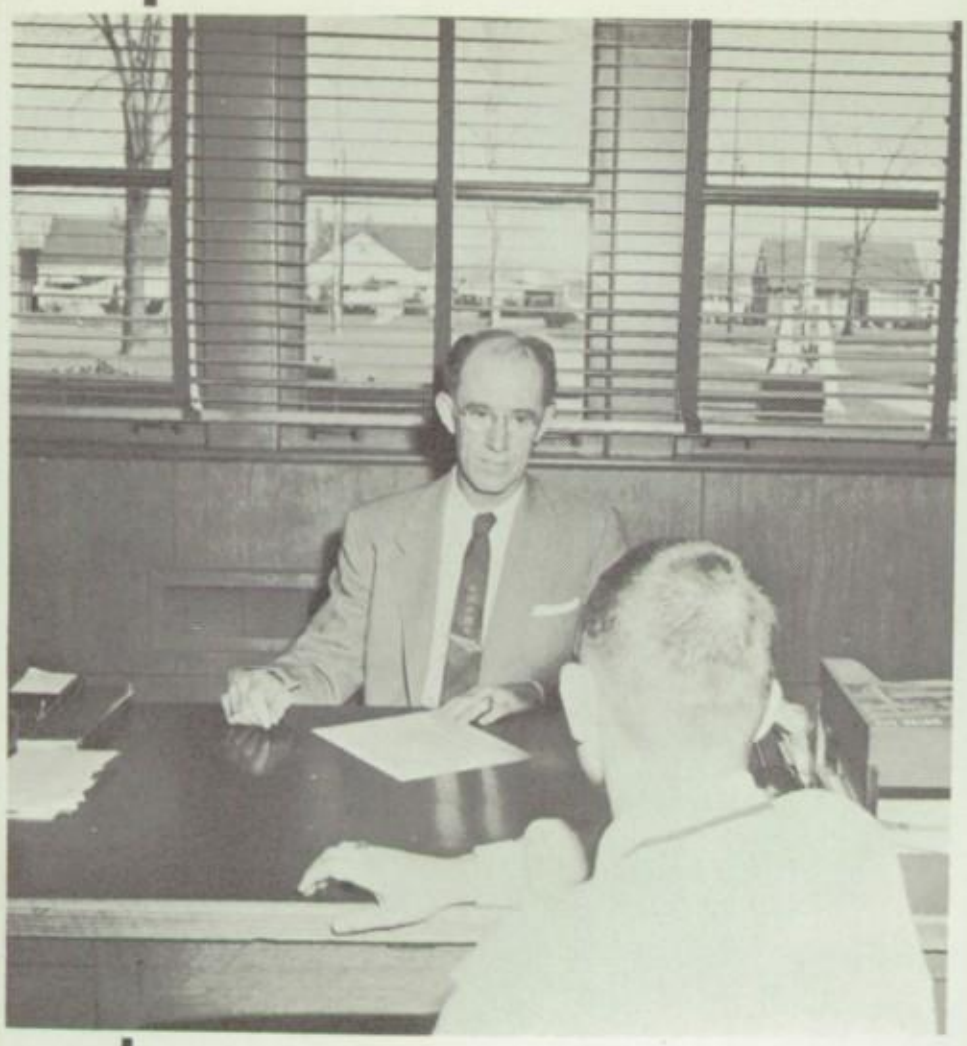
DR. MAURICE J. DAY '30

7th Honor Alumnus

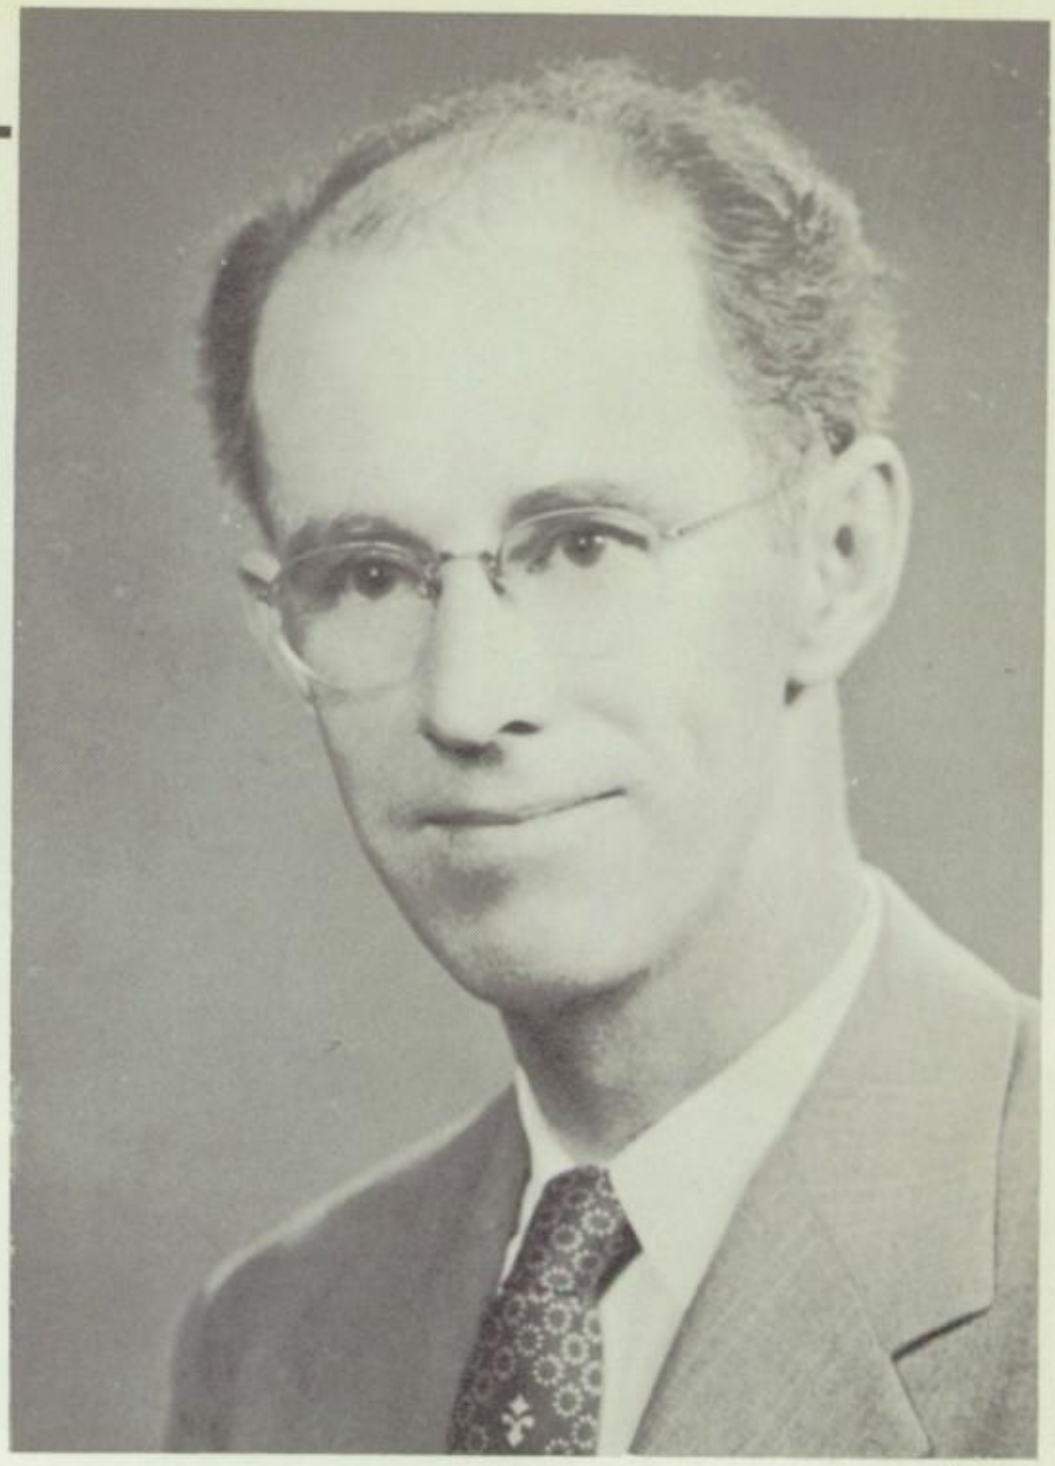
Developing an interest in science acquired in a chemistry class at Arthur Hill led to a Doctor's degree in physical chemistry and a position as director of research and development and vice-president of the Crucible Steel Company of America for Maurice Jerome Day, 1957 Arthur Hill High School Honor Alumnus.

As Seventh Honor Alumnus Mr. Day was honored at the annual Honors Assembly at the school, a reception in North Hall, and a dinner at the Germania. His picture now hangs with previous Honor Alumni Harry P. Baker, John O. Goodsell, William H. Doerfner, Carl F. Schreiber, Arthur H. Rice and Otto C. Richter in the Community Room.

At left, top to bottom: Mr. Day delivers his response to the Honor Alumnus Tribute; congratulates Martha Munck; greets Mr. Charles C. Coulter, Superintendent of Schools; chats with Mr. Dersch, his former chemistry teacher; and poses with his family.



Mr. Morrow, dean of boys, is often visited by students seeking helpful suggestions on their problems.



Mr. Morrow Joins 25-Year Club

MR. RAYMOND W. MORROW,
ASSISTANT PRINCIPAL

Twenty-five years at Arthur Hill, eighteen as assistant principal, qualifies Mr. Morrow for membership in the 25-Year Club. He came to Arthur Hill in 1933 as a social science teacher. Some of the Arthur Hill students attending summer school attest to his proficiency in this field. However, most Hillites know him as the man to see when in trouble. With equal calm he dispenses advice, fines, excuses, new locker combinations and . . . eighth hours.

Issuing eighth hours is one of Mr. Morrow's many duties, he is also in charge of fines, locks, lockers, attendance and building care.

Climax of the Honors Assembly is the surprise announcement of the sophomore awards. Roger Olny, named Sophomore boy, accepted the Hi-Y Cup.

A delighted Joan Nash received the Y-Teen trophy from president of Y-Teens. Joan was voted the outstanding sophomore girl for scholastic and leadership ability.

Outstanding juniors on the *Legenda* and *News* staffs were Barbara Mack and Patricia Boyd. Don Callison, president of Quill and Scroll, presented them with the Junior Journalism Plaque.

For loyalty, patriotism, cooperation, courtesy and personality Martha Munck was elected by the senior class and the faculty as the 1958 DAR Good Citizen.

Ralph Stingel, Robert Hyslop, Garron Weiker, Charlie Barr, Lois Karls and Mary Lu Townley were the finalists in the National Merit Scholarship test.

Seniors

The Senior Class of 1958 will have many memories — The girls lost their S.O. Campaign for the first time in nine years; — We had an all-out, all-school election for Student Cabinet Officers.

No matter what our memories of school have been or will be in the future, we all have many goals which we have been striving for. Throughout our school years, we have been building up to a climax. For some, the climax is graduation; for others it may be college. Whatever they may be, high school has prepared us for some of the many coming events.

IN MEMORIAM

VESTA JEAN KINGSBURY

January 22, 1941—August 26, 1957

As a member of the 1958 Senior Class, Vesta was popular among her friends and was elected President of the Miracle Book Club here at school. She attended Ames Methodist Church and was the leader of the Methodist Youth Fellowship group. One of her main goals was to be a medical missionary and she was constantly working toward that goal.

FREDERICK L. ZIETZ

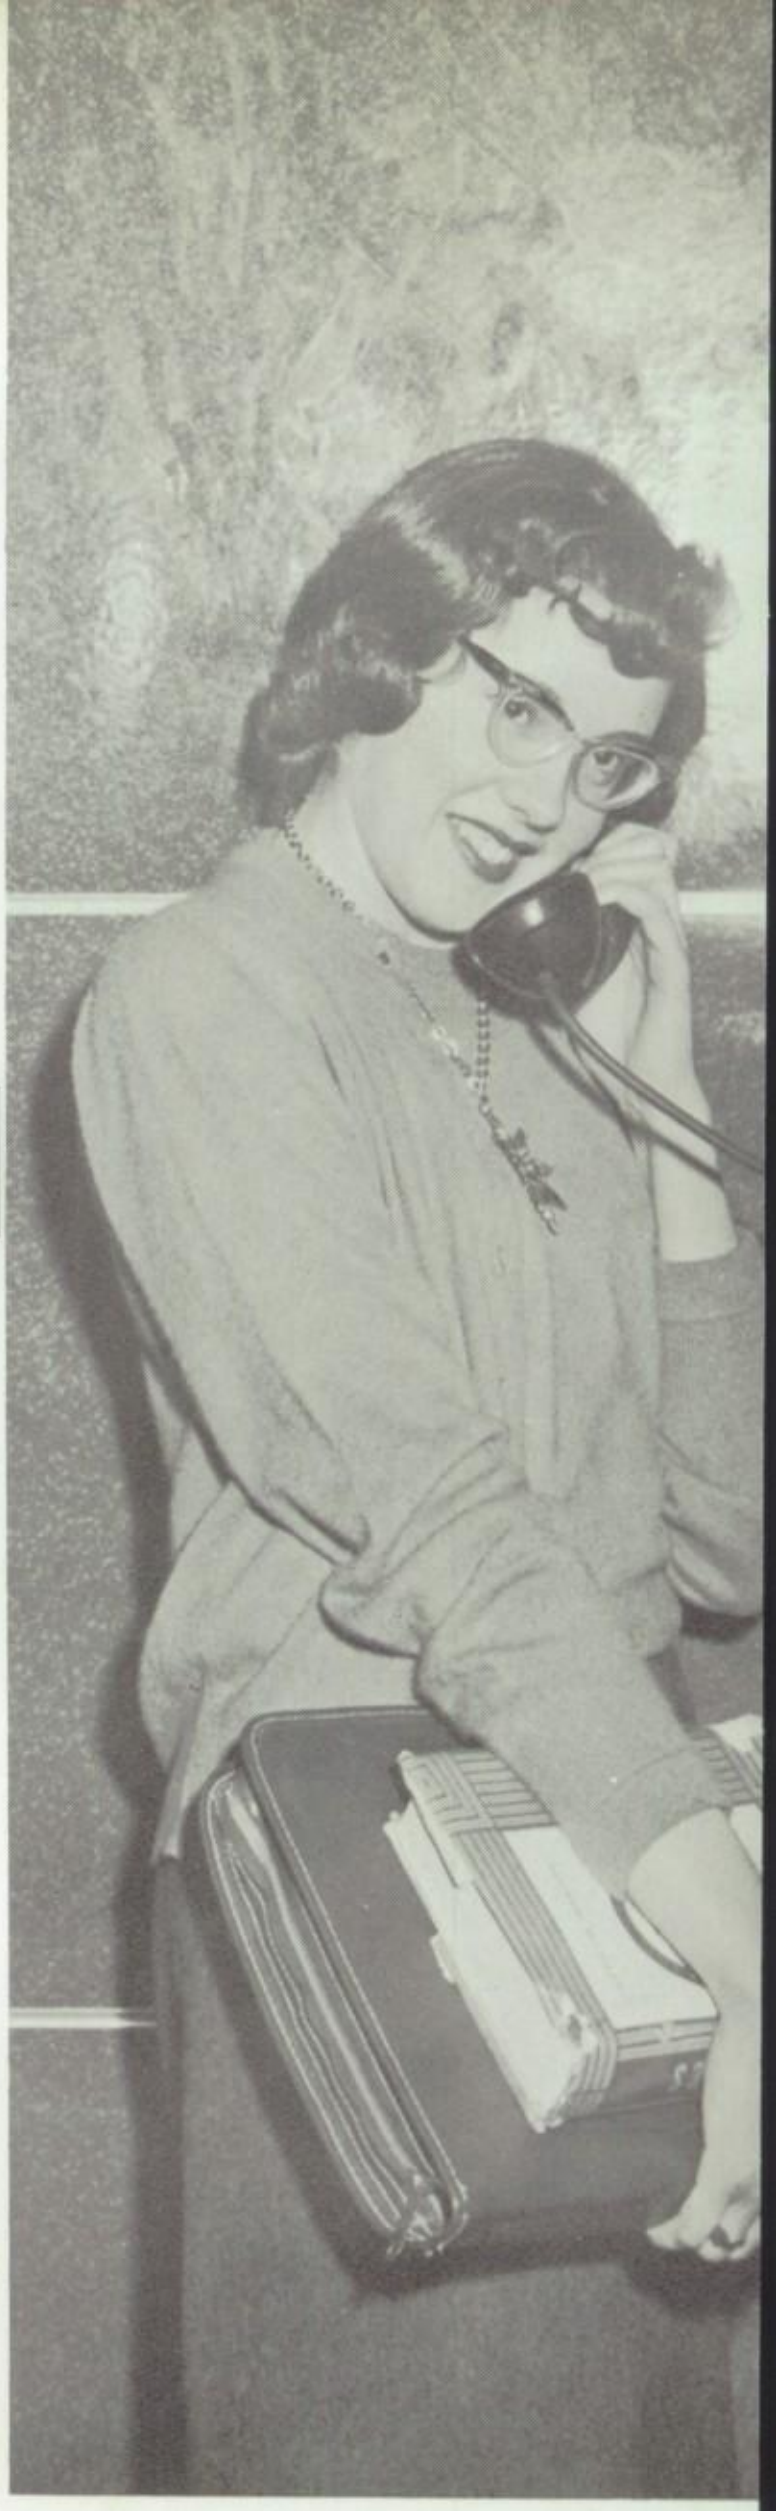
March 2, 1940—January 18, 1958

That he was friendly and well liked by his fellow classmates is evidenced by his membership in the Pep, Co-op, and Radio Clubs, his election as advisory secretary and Pep Club Representative, and class chairman. As a Saginaw News carrier he made many friends among his customers. He was also a member of St. James Lutheran Church, Secretary-Treasurer of the Young Democrats Club, and Treasurer of the Luther League.

The sincere sympathy of the senior class is expressed to the families and friends of these two fellow classmates.

IN MEMORIAM

UNDERCLASSMEN



Sophomores elected as class officers: Tom Dawson, vice-president; Joe Mason, president, and Tom Cousineau, secretary.

Confusion, chaos, and bewilderment, these were the signs that marked the new sophomores. They went down the wrong halls, forgot their classes, and stared in amazement at their new schoolmates.

As they adjusted themselves to the broadened horizons of high school they timidly took part in classes, joined clubs, and got acquainted. They elected class officers, and enjoyed the sophomore party.

Junior class officers: Jim Bublitz, vice-president; Bill Riepe, president, and Bob Hart, secretary-treasurer.

Junior class officers are something new at Arthur Hill, a result of the adoption of a revised constitution last spring. Art of living classes nominated the candidates and the final election was held during advisory.

The entire junior class has entered energetically into their part of life at Arthur Hill. They have worked hard, had fun, received class rings, and attended the Junior Prom. Surely they are well prepared to make a fine senior class.

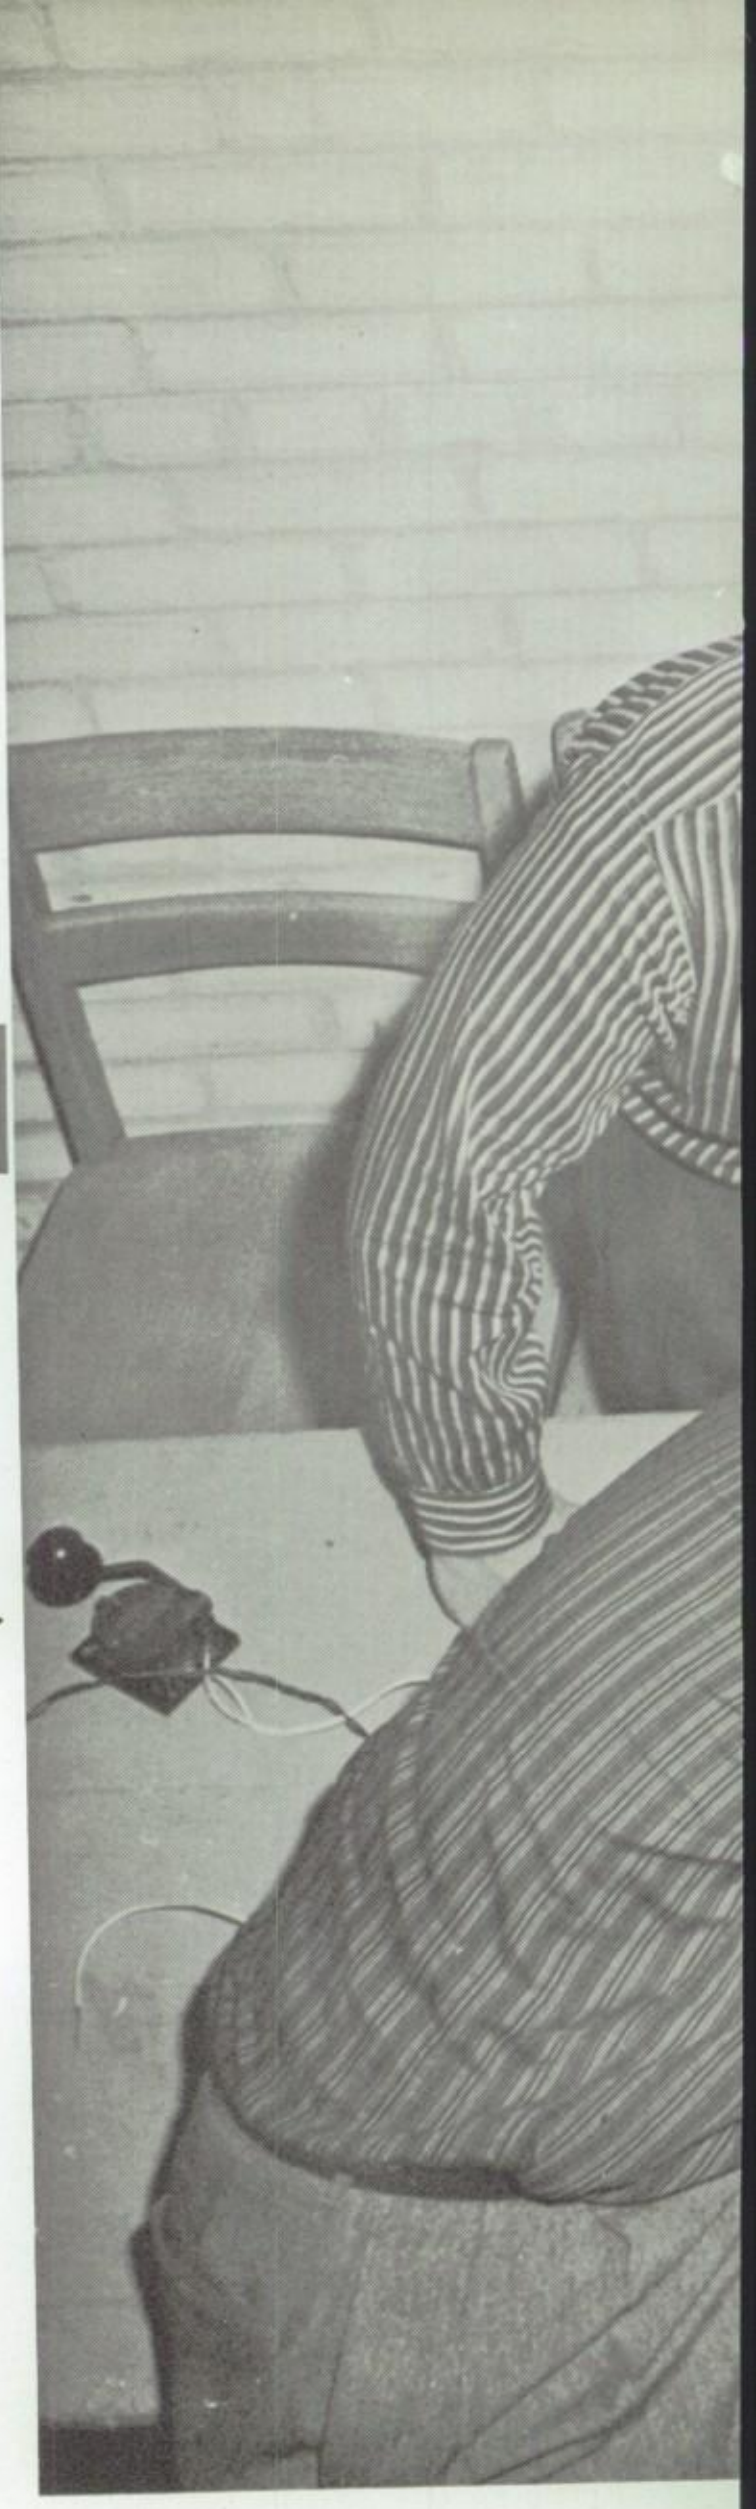
CLUBS



New slaves prostrate themselves before the president of Latin Club at the slave auction.

Latin Club

How many points did you get this year? This is a typical question Latin Club members ask as time for the rank-raising potluck draws near. New members enter the club as slaves. They earn points toward their freedom by doing club work and getting good grades on their report cards. Only students presently enrolled in a Latin class and maintaining an A or B average are considered eligible for membership. Their meetings are held the last Monday of the month.

Arts-Dramatics Club

Planning to attend the Play Tournament this spring? It's sponsored by Arts-Dramatics Club. So is the annual Christmas Pageant. Organized many years ago, the club strives to create an appreciation for drama and to give students a chance to participate in the production of plays. To become a member one must have good citizenship, average grades and a desire to work. The club meets the third Monday of every month in the school auditorium.

Tim Lentner and Pat Sargent portray a bride and bridegroom in the play *Day After Forever* which was presented by the Arts-Dramatics Club.

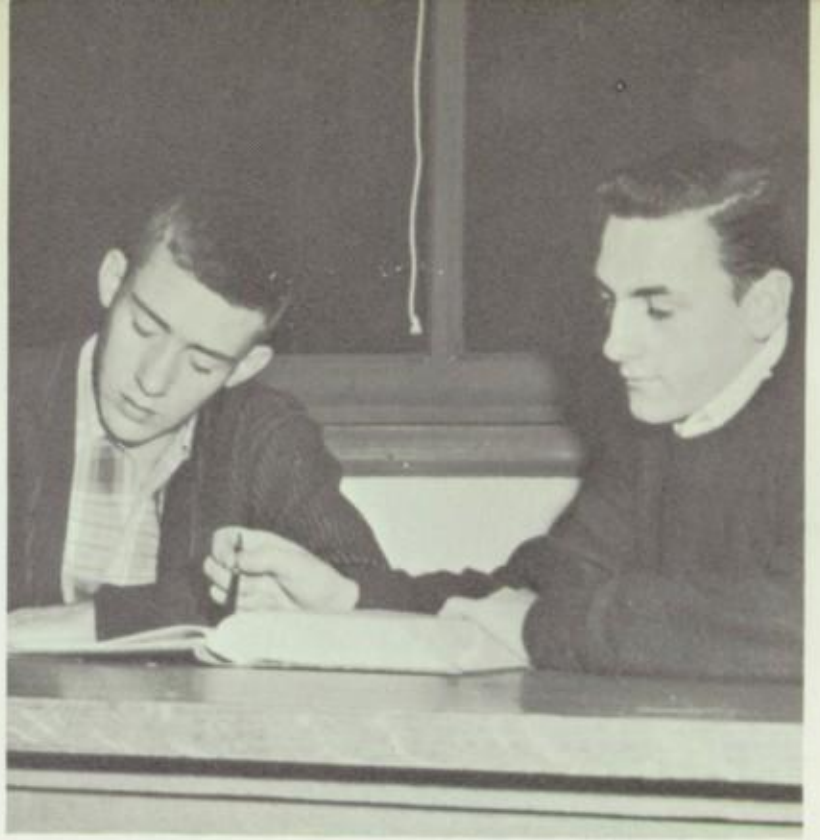
Hi-Y Club

Enjoy the dances after the basketball games? Most of the credit goes to the boys of the Hi-Y Club. The members sponsor the dances and sell the refreshments at the games. Any boy interested in promoting Christian living throughout the community is welcome to join the Hi-Y. Club meetings consist of swimming parties, basketball meets, and other interesting activities. Mr. Birdsell is the new sponsor of the club. Hi-Y Club meets on Tuesday nights.

Jan Davis serves punch as Carol Kleine samples cookies, at the Y-Teen introductory tea.



Charlie Barr and Jim Devers look at the bill they presented in the Michigan State legislature.

Y-Teens Club

Co-sponsoring dances with the Hi-Y and presenting an award to the outstanding sophomore girl are the highlights of the year's activities for the Y-Teens. Members are interested also in service to their school and community. For community service Y-Teens help with the hanging of the greens at the Y.W.C.A. during the Christmas season and spend one evening entertaining the children at a local orphanage. Their meetings are held the first and third Wednesday of each month.

French Club

French club members will long remember their entry into the club. Initiation takes place at an evening potluck. New members must come in French costumes. The French club was founded to promote interest in the French people, their language and customs. In the fall the French club members raise money by selling personalized stationery. The French club meets on the first Tuesday of each month.

Spanish Club

Fiesta time brings happy memories to the members of Arthur Hill's Spanish Club who attended and helped with the program for the Bay City Handy Fiesta last May. Their big annual project is sponsoring the "Excellency in Spanish" awards given to outstanding Spanish students at the Honors Assembly. The club was organized to keep students interested in the Spanish language and to stimulate learning. Their meetings are held the second and fourth Tuesday of each month.

Barbara Holzhauer, German exchange student, speaks about Germany to club members.

German Club

Having been newly reorganized ,the Arthur Hill German Club received an extra bonus this year. Barbara Holzhauer, an exchange student from Germany, will be very helpful in aiding the club to fulfill its purpose, to learn more about Germany, its people and customs. Barbara will also help many other organizations of the school, introducing them to Germany. The Arthur Hill German Club is local only. It meets the second Monday of each month.

Joyce Challis, Sharon Robinson, Judi Turner, and Marjorie Hall look at the Christmas cards which the Future Homemakers sold this year.

F.H.A.

Lighting the candles is the big moment in the initiation of new members into Future Homemakers Club. One candle is lighted as each of the eight purposes of the club is explained. Each year the members of the club select some person or persons to receive their help. To promote a growing appreciation of the joys and satisfactions of homemaking is the main purpose of the club. Meetings are held the second and fourth Tuesday of each month.

It looks as if the answer to the teacher shortage can be found at Arthur Hill. The Future Teacher Club is one of the most popular in the school. The FTA tries to encourage young people of ability to go into teaching, to acquaint them with schools and their work, and to provide actual participation in a teacher's work. Its members are active in all civic and school projects that need help. The FTA was organized at Arthur Hill in 1949. The club meets on the second and fourth Thursday of the month.

Future Farmers

The father and son Pheasant Banquet is one of the highlights of the year in the Future Farmers Club of America. Other activities were the leadership training, a trip to Higgins Lake for the National Convention farming classes, and occasional square dances with the Future Homemakers Club. In order to become a member, a student must be enrolled in an agriculture class. The Future Farmers improve farm life and develop leadership on the farms.

Future Nurses

Any girl who is interested in nursing as a profession should join the Future Nurses Club of America. Students wishing to become members must be juniors or seniors. These girls are given the opportunities to investigate the problems and the rewards which the nursing career offers. Often the club is host to nurses from the Saginaw hospitals. The Future Nurses also take part in the state rally each year.

Decah Club

This year the Hillite Co-op Club was divided into two different groups. One of these clubs is the Hillite Business Leaders which was formed under the sponsorship of Miss Redstone. The members of this club are currently employed doing part-time office work. They are also enrolled in an office training class at Arthur Hill. Meetings are every third week in Room 201. The other club is called the Decah Club. These students are concerned with retail business and are enrolled in retailing classes.

Tri-M Club

The three "M's" don't stand for "Make more music" but for "Modern Music Masters". In order to be considered eligible for membership a student must achieve a "B" average in music and a "C" average in academic work, pass a test and give a performance for the club. Among its varied activities the club has sponsored a hayride, a roller-skating party and its annual Christmas tea. The Tri-M Club meets on the second and fourth Wednesday of each month in the music room.

Quill and Scroll

Quill and Scroll pins are worn with a special pride at Arthur Hill. Every Quill and Scroll member must be a senior in the upper third of his class and must have excelled in journalism while on the *News* or *Legenda* staff. Quill and Scroll is an international honor society formed to encourage good journalism. Arthur Hill's branch of this society is known as the Treanor Chapter. Initiation meetings are held in January and May. Regular meetings are traditionally held on the day the Arthur Hill *News* is issued.

Pat Boyd serves punch to Martha Munk and Dave Braun at the initiation meeting of the Quill and Scroll.

Miracle Book Club

Begin the day with a prayer. Anyone interested in attending a devotional meeting before school is welcome to join the Miracle Book Club. It was formed to promote fellowship among Christian young people and to interest other students in the Christian way of life. Besides their regular meetings which are held every Tuesday and Thursday morning in Room 226, the Miracle Book Club holds occasional evening meetings at the homes of its members.

J.E.T.S. Club

If you are interested in a career in engineering JETS is the club for you. The initials stand for Junior Engineering Training for Schools. The AHHS JETS Club is a charter club in Michigan, organized as an outgrowth of the Math Club in 1952. The club's purpose is to stimulate and awaken interest in technical areas and to provide information and guidance for students interested in entering these fields.

"So you see, the air goes over here, creating a greater pressure underneath the airfoil." Bill Mackay and Jim Gustafson explain the principles of Bernoulli's Law to the members of the JETS Club.

"Oh, I understand NOW!" says Carol Haefele to Roger Olney and Bill Martzowka. "The slide rule is really very simple after you've explained it."

Math Club

"Don't forget to bring your slide rule to the meeting!" The Math Club was organized to stimulate an interest in mathematics, to broaden the background of students attending club meetings, and to provide information pertaining to careers in which mathematics is a necessity. The AHHS Math Club is one of the relatively few math clubs in the state. It was organized in 1951 at the request of the students in the senior math classes that year.

Crucibles Club

"What do you know, *I* made Crucibles!" Membership in this honorary science club (for boys) – and in Alchemists (for girls) is a coveted honor. In this age of science it is important that our young people be well informed in the fields of chemistry and related subjects. These clubs are helping to achieve that aim. All members of Crucibles and Alchemists must have a B average in all classes. Founded in 1933 the clubs were the first science clubs to be organzied in Michigan.

The Arthur Hill Amateur Radio Club meets on call in Room 219.

Rifle Club

How do you shoot a gun? This question is asked by many new members of the Rifle Club. The club was organized for four main purposes: to teach safety in handling arms, good shooting ability, conservation, and sportsmanship. Members occasionally participate in matches and review pin awards for good marksmanship as they are earned. The club meets every Wednesday after school at the Arthur Hill Rifle Range.

Bowling

"There it goes . . . oh oh, is it going to go into the gutter? . . . No, it's hit them . . . will it ever fall? . . . a Strike! It's a Strike everybody!" For the first year Arthur Hill has a mixed bowling league. The league was founded to develop more interest in better bowling. Each member becomes a member of the American Junior Bowling Congress. At the end of the year, the club sponsors a banquet at which the winning teams are honored with trophies. The Bowling Club meets every Thursday at the Recreation Center.

Racket Squad Raids Regional

Jim Hale, a junior, shows the form he used to win many matches for the Lumberjack netmen.

Having an excellent tennis team every year just seems to be an old story for Coach George Purdy and his net squad. Again this season the tennis squad won the vast majority of their encounters in dual-meet competition. The netmen ended up by losing only three out of nine clashes. About the only team which gave the netters any trouble was a rugged Bay City Central squad. The highlight of the 1957 season was the regional meet held at Owosso. Here, the powerful Hills romped over all opposition and captured first place in the meet with little difficulty.

Cindermen Display Strength

Again this year the Arthur Hill tracksters rounded out the 1957 season with no losses in dual-meet competition. Playing a vital role in this string of wins was the Hill's top miler, Dick Fisher. The thinclads continued with the good work right on through the final regional meet held at Arthur Hill. In this meet the cindermen captured fourth place to finish out a very fine season.

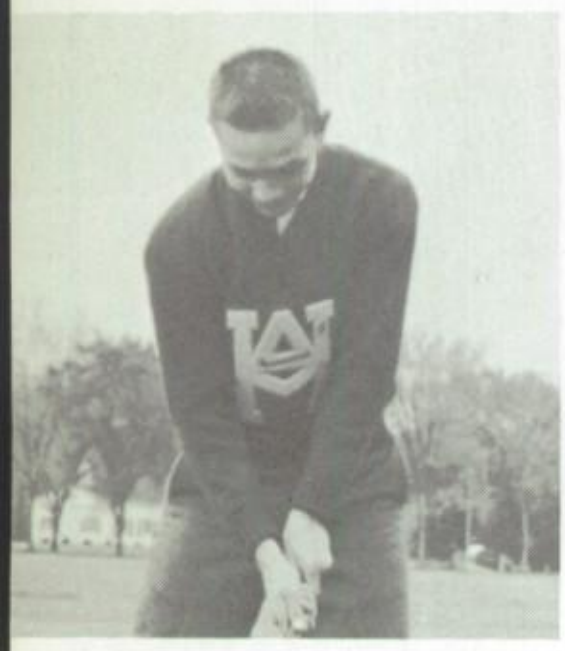
With four returning lettermen the Arthur Hill linksmen wound up the 1957 golf season by winning 7 matches and losing only 2 in valley competition. A total of 334 strokes was an ample score to gain second place in the valley meet. The quintet kept up the good work by taking third in the regional meet and fifth in the state meet. This record meant a very fine season for Coach James Hooper and his squad.

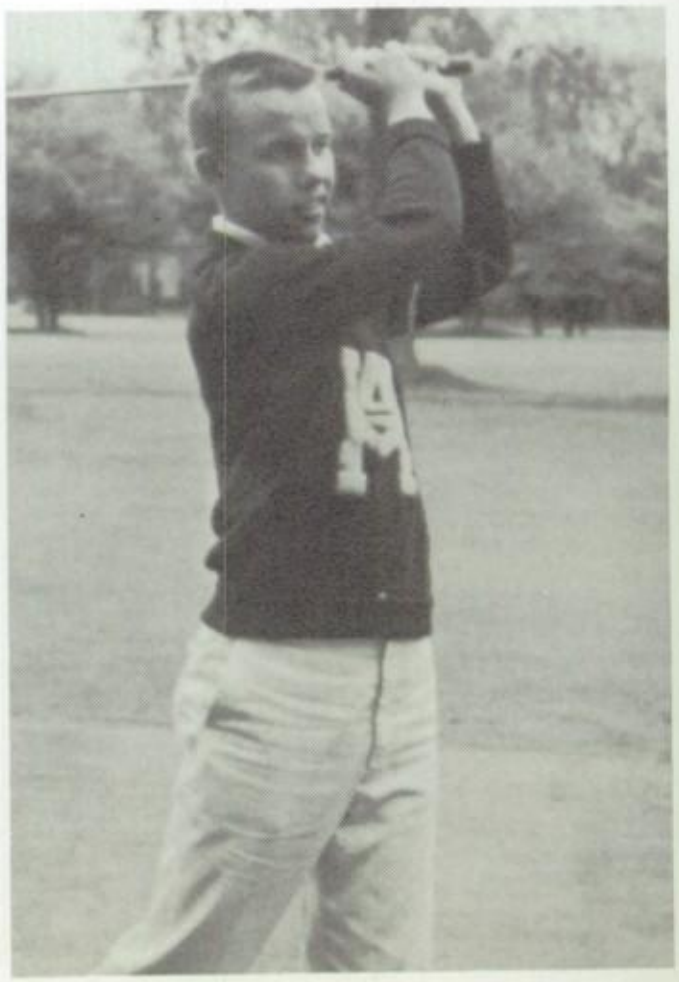
Linksmen Conquer Greens



Bob Hart played the number 3 or 4 position and was the only sophomore letterwinner.

Paul Brechtelsbauer won 7 matches this past season which resulted in many needed points for the Hillite five.

Tony Barnard was the leading point getter winning 7 out of his 8 matches.



Jerry Hutchinson was the outstanding member of the Hill squad. He was the Valley Medalist with a stunning score of 77.

Valley record breaker, Dick Darby, was never defeated during regular season competition. The Hill's number one speedster took first places in both the valley and regional meets.

Nati Rosales was the harrier's only three-year letterwinner. He won the many needed seconds and thirds for the Lumberjack cause.

Thinclads Win Regional

Finishing the 1957 regular season with 3 wins and 2 losses, Arthur Hill's cross-country team had their usual good record. Although the harriers were defeated twice in dual and tri-meet competition, they came roaring back in their encounters of the valley, regional, and state meets. This comeback was due to the steady improvement of the team and the fine coaching of Ed Petzko.

Yea Hillites, Swim, Swam, Swum

Arthur Hill swimmers jump for joy as one of their fellow tankers captures a closely contested first place.

This season's outstanding relay team was the 200-yard medley which was composed of Ron Gage, Jim Williams, Jim Hale, and Joe Day.

Bill Williams was the top performer for the Hill cause in diving this season.

Tankers Terror Of Valley

The Arthur Hill tankers won all their dual meets but one this season. The swimmers came in first in the Invitational Relays, topping their closest opponents, Saginaw High, by 35 points. The tankers won all their valley meets in a manner that left no doubt as to who was the strongest team. In a close meet against Battle Creek, one of the state's best teams, Arthur Hill lost.

Ron Gage, captain of this year's squad, was also the outstanding swimmer. Voted all-American as a junior last year, he continued to show great prowess in his specialty, the backstroke. Ron broke a record in every high school pool he swam this year, coming within .7 of a second of setting a new national backstroke record.

As to be expected, the Tankers took first in the Valley Meet held at Flint Northern. In doing so, they ran up a score which was practically twice that of their nearest competitors, Saginaw High. In State Meet competition at the U of M, the Aquamen captured an admirable fourth place which closed out a very fine and successful season.

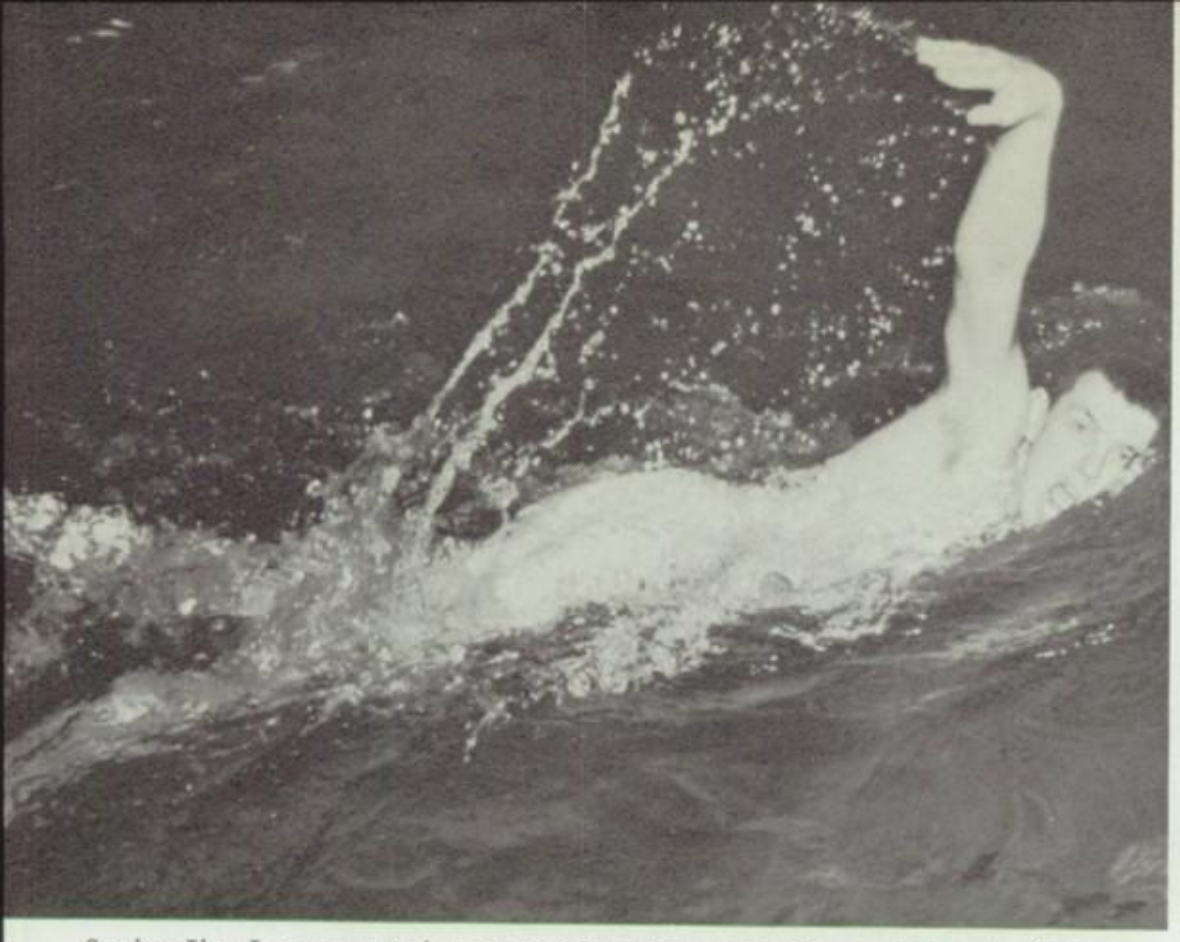
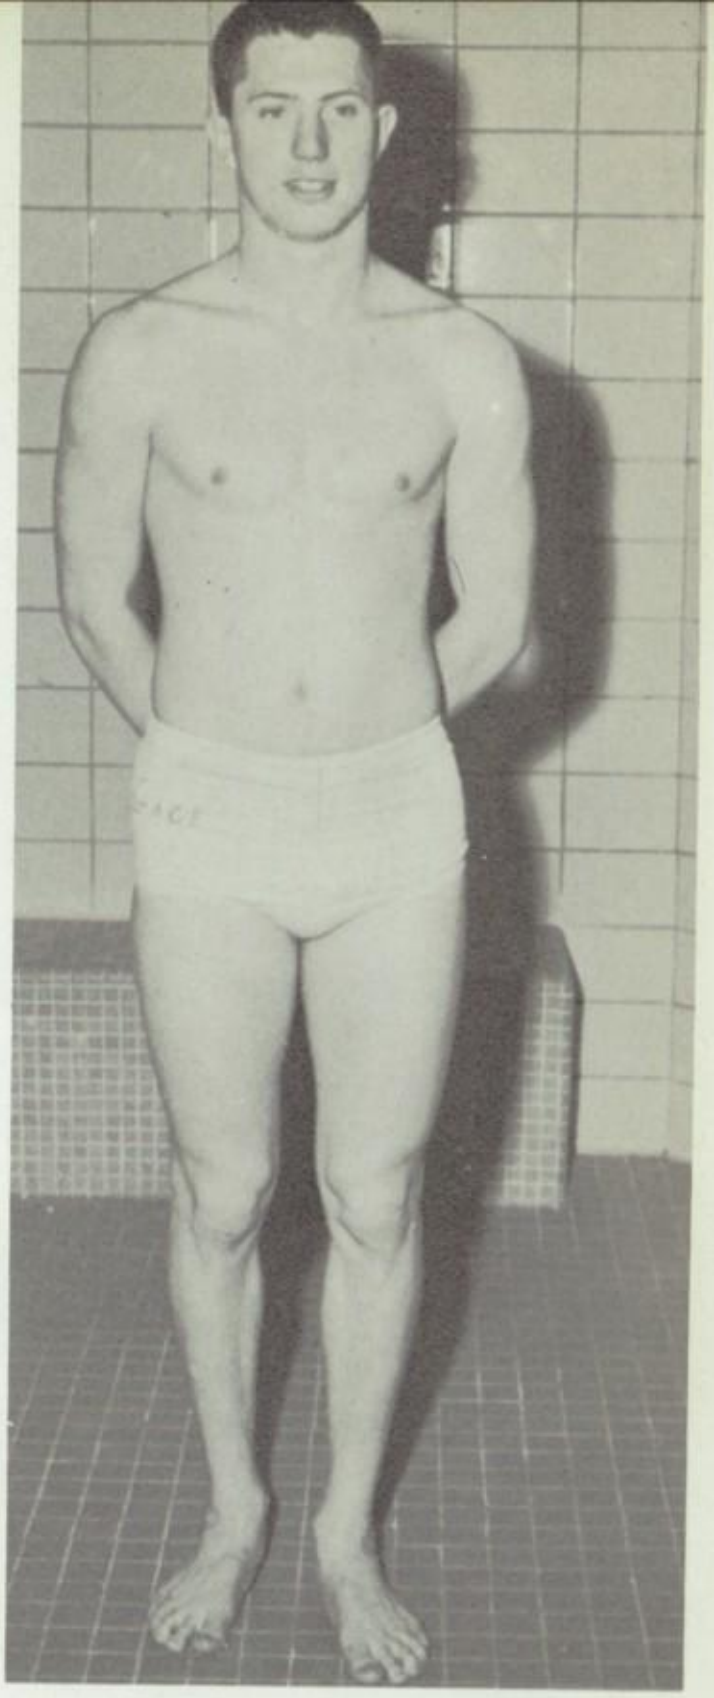
Senior Mgrs. Bob Hyslop, Gary Berkompas, and Head Mgr. Tom Boyd played an outspoken role in the Swim Team's success this season.



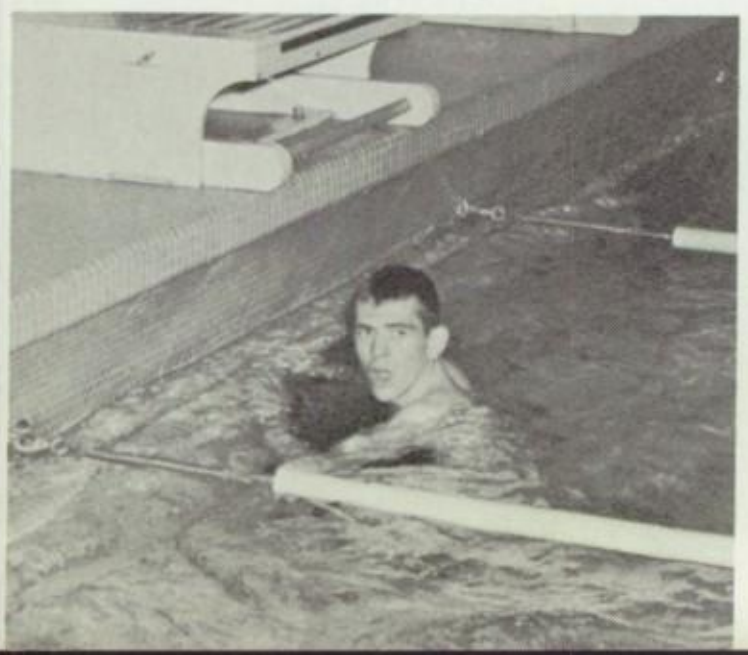
Senior Jim Leaman strokes to another victory in his specialty, the 200-yard freestyle.

Senior Jim Williams, a team committee member, gasps for air after a stunning victory in the 50-yard freestyle.

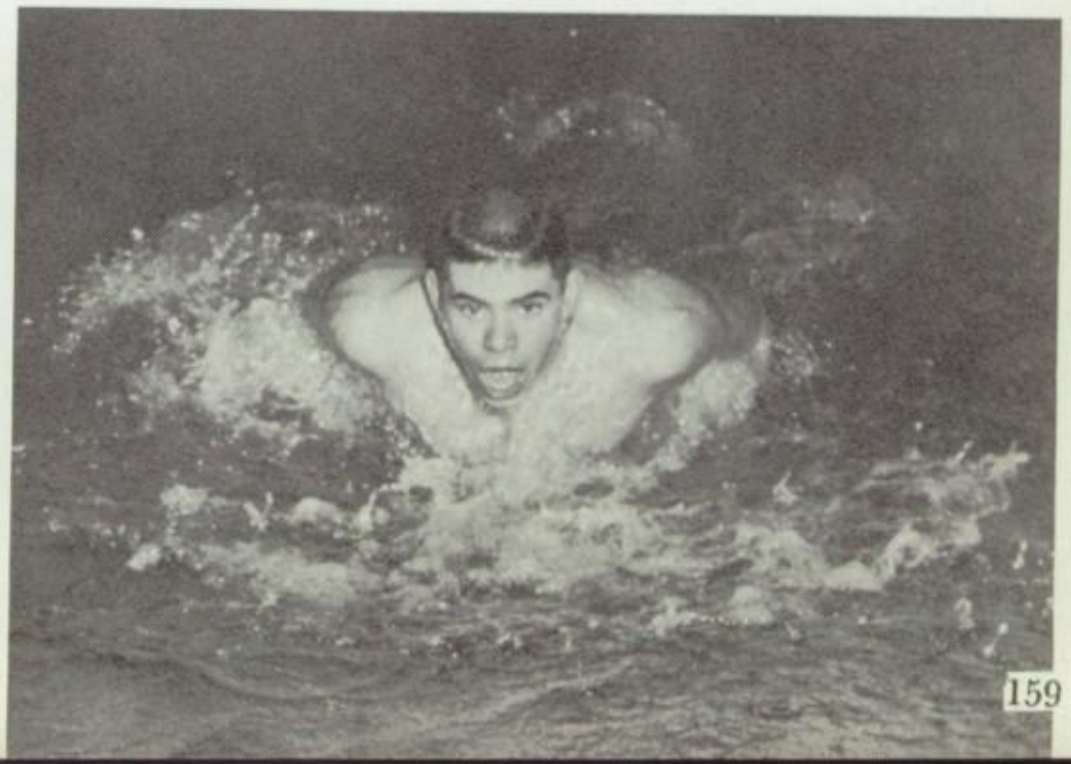


Two year All-American Capt. Ron Gage was one of the top high school backstrokers in the nation this season.

Dee Young, a junior, glances up at the bench after capturing a first place in the 100-yard freestyle.



Bread and butter man Paul Nieman, a senior, was an All-American selection and state meet qualifier for the past two seasons.



1957 VARSITY FOOTBALL SQUAD

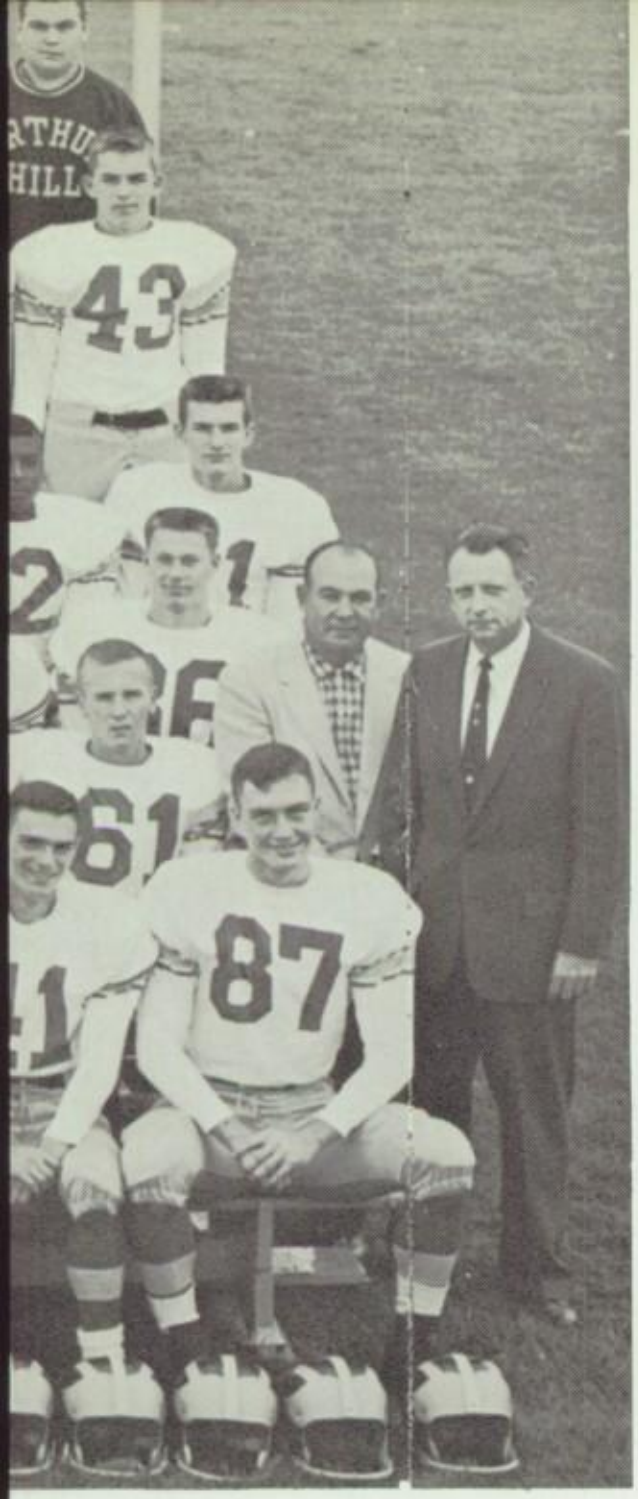
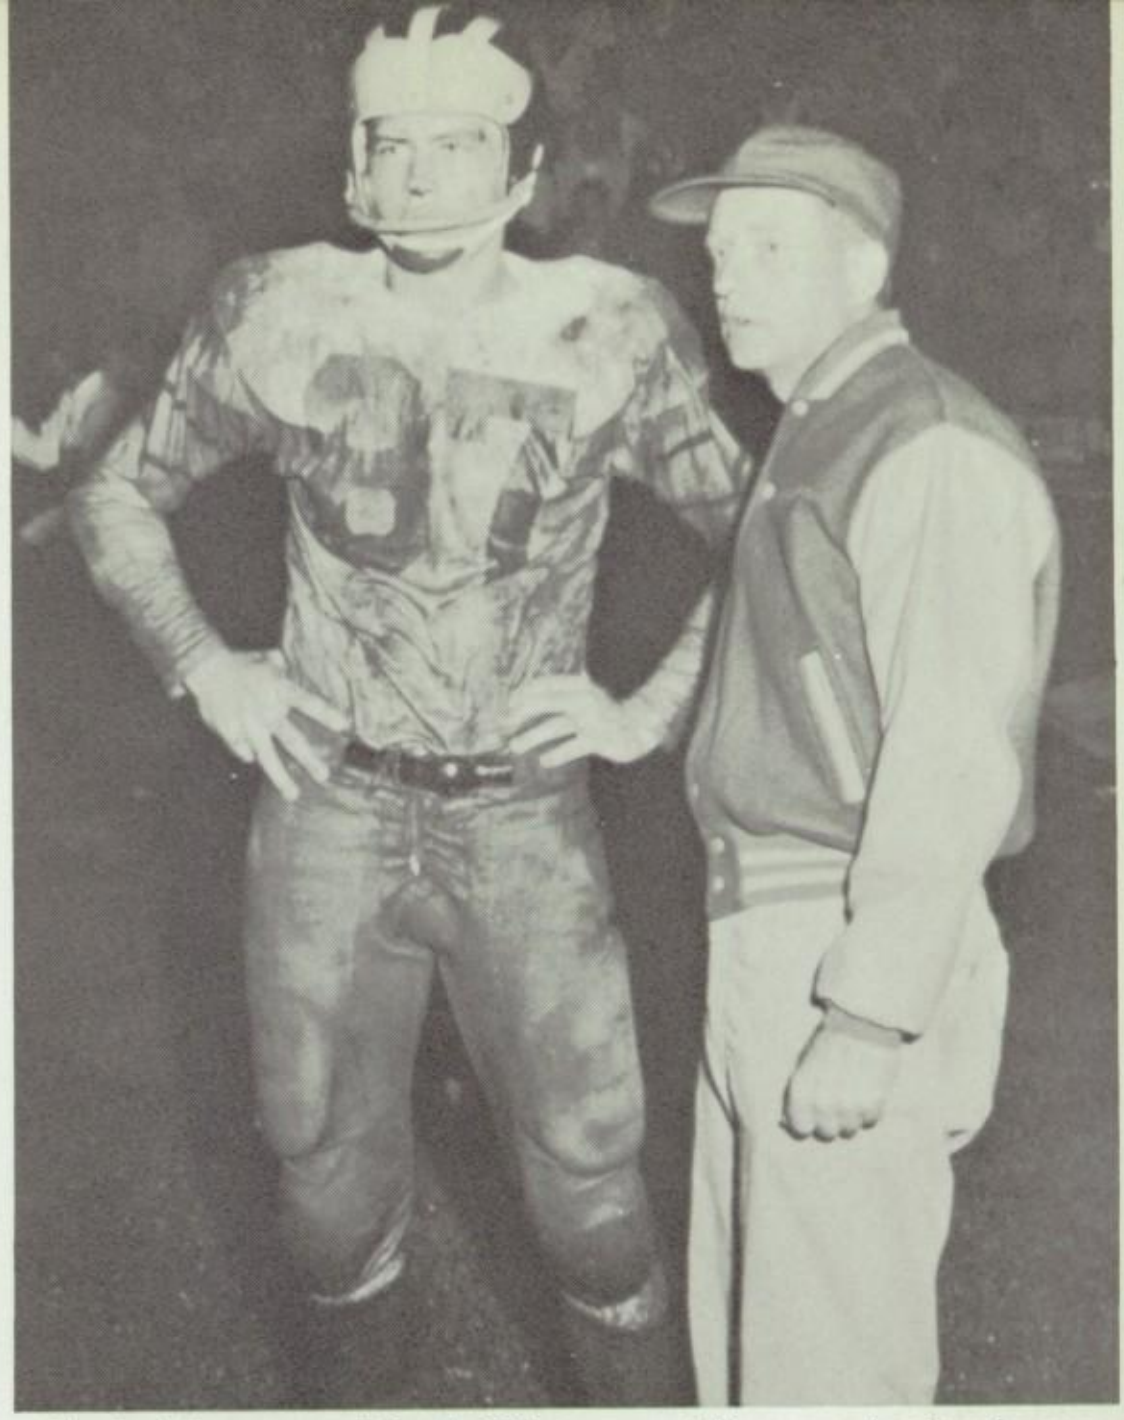
Hillite Backs Show Determination

Mike Seidel, Hillite speed king, proved outstanding in both offense and defense.

David Carpenter, voted this year's most valuable player, was the leading scorer with 7 TD's to his credit.

Work horse Bob Ahrens was the second highest scorer of the Lumberjack eleven.





Big Paul Doersam and Coach McCarger are talking over the situation on a mud-drenched gridiron during the Grand Rapids Catholic Central game.

Hills Win Opener On Drenched Field

Gaining that needed yardage was no trick for quick thinking quarterback Herb Hinds.

A fog-filled stadium set the stage for the drama portrayed on the Hill bench during the Flint Central encounter.

Captain Tom Harvey was highly ranked in both playing and leadership ability.

The football season this year seemed to be predominated by bad weather. Players and fans alike became accustomed to rain, fog, and mud.

The Hillites won 3 and lost 6. In the opening game they ran to victory over Grand Rapids Catholic Central, stopping them cold with a score of 10-0. The Lumberjacks also triumphed over Alpena and Bay City Handy, beating Alpena 34-13 and walloping Handy with a score of 34-6. Since the Hills won no games in the Saginaw Valley League, they took last place. Halfback Dave Carpenter was elected by his teammates as the outstanding player this year. His pile-driving, ground-gaining attack scored 7 Lumberjack touchdowns and helped on others. Captain for this year's team was Tom Harvey, who played tackle. Next year's co-captains are Phillip Bird and Donald Munger. Juniors this year, they have shown promise of being excellent players and leaders in next year's competition.

An outstanding lineman on both offense and defense, guard John Wells was selected to the all-valley second team and all-state honorable mention.

Hill Gridmen Exhibit Sportsmanship

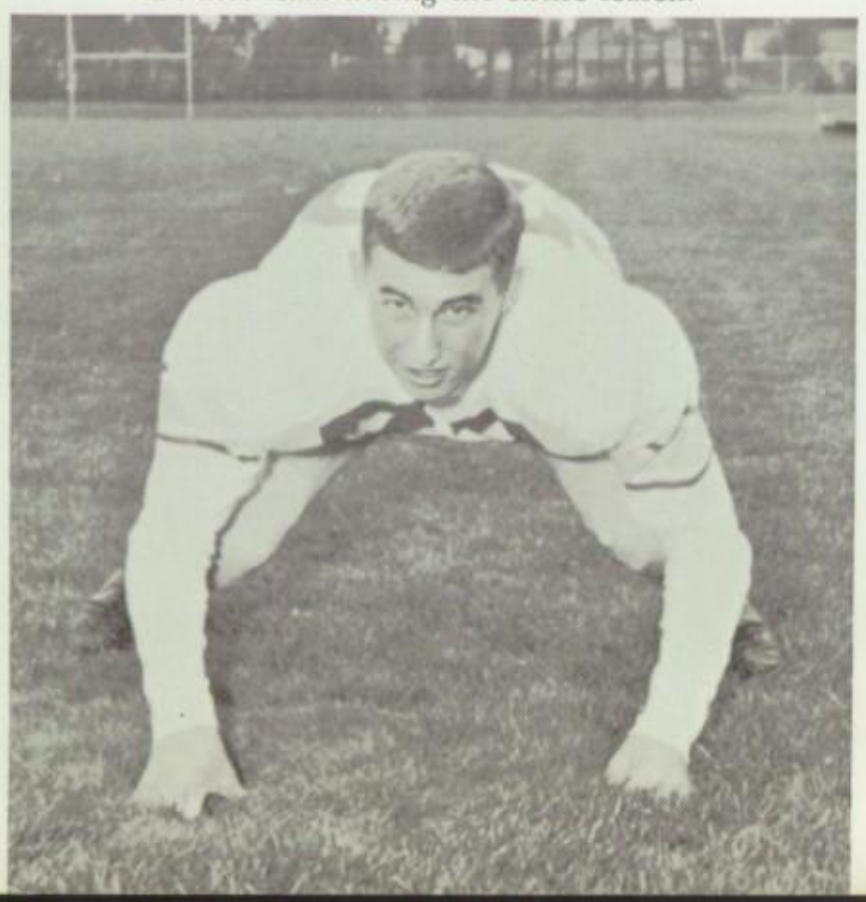
End Roger Clark, guard John Wells, and another unidentified Lumberjack are congratulating the opposition on their victory after the heartbreaking defeat by Saginaw High.

Coach Kurt Kampe is giving some on-the-spot instructions to Herb Hinds before the quarterback again enters the "field of battle."

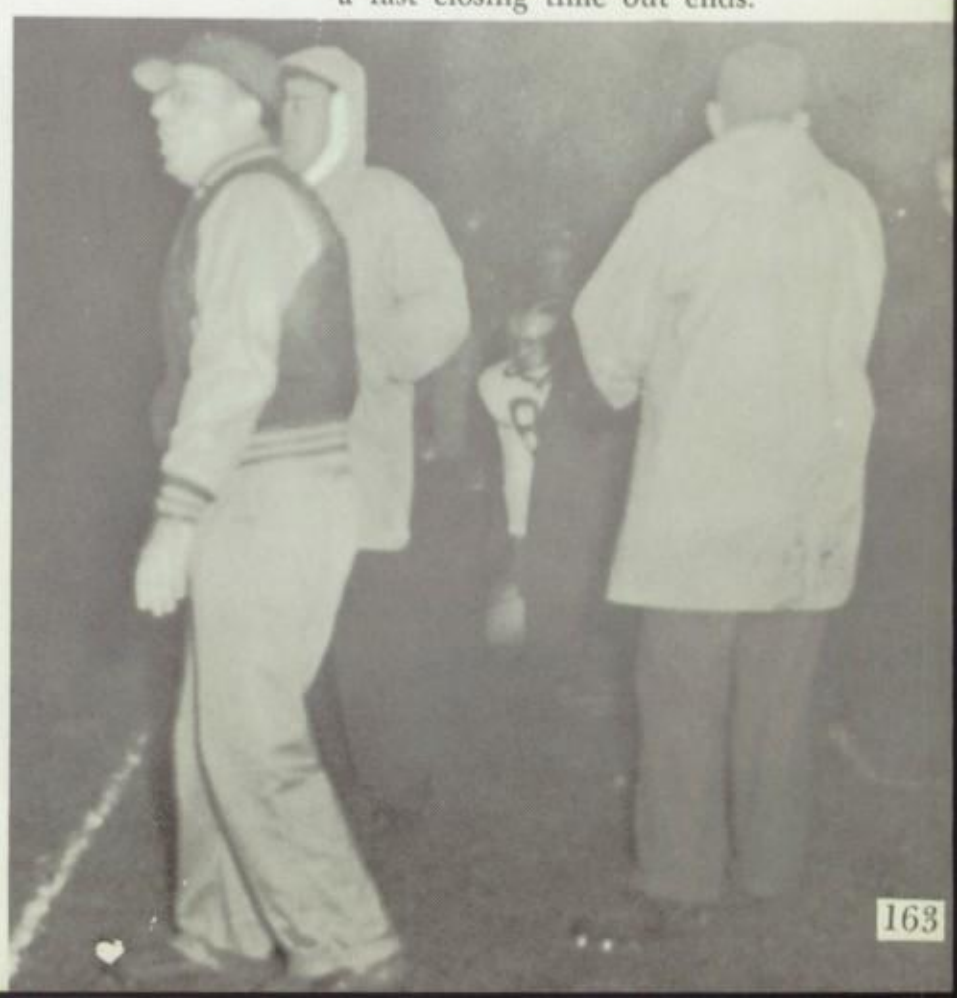
It's tough to lose.

Opposition Tough For Lumberjacks

Tackle John Wolf was one of the few linemen that played consistently on the first team during the entire season.



Coach Kampe is yelling a last minute direction before a fast closing time out ends.



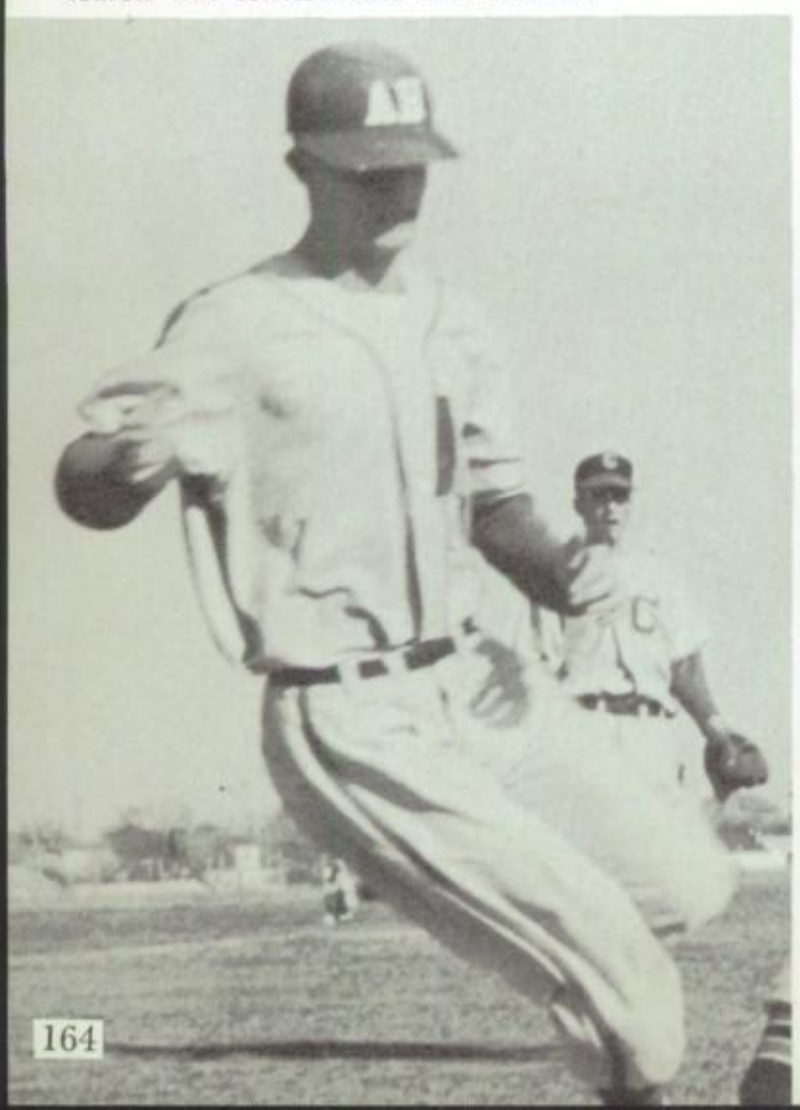
Scrambling back to first base in a close play against Saginaw High is Lumberjack shortstop Ray Graham.

This was one of those heartbreaking years for Coach William Vondette and his Varsity Baseball Squad. The hard-luck team wound up the 1957 season in a tie for the Saginaw Valley League basement position. Despite the teamwork and hitting power of this year's team, their won-lost record showed the balance of the Hillite's league tangles over weighed to the games-lost side of the scale. Although the Lumberjacks did not fare too well in this year's competition, their outlook for a fine team next season is very bright.

Diamondmen Exhibit Teamwork

Arthur Hill pitcher Tom Varner is about to "hit the dirt" at home plate to score another tally for the Lumberjack cause.

The first Hillite to reach base in the 1957 baseball season was centerfielder Bill Kolleth.



They did it! For the first time in three years the North won the annual North-South intramural basketball game. Defeated was Mrs. O'Dell's advisory of the South. Mr. Roundhouse's advisory won in a close game by a score of 32 to 30. Roundhouse's team was favored and held a good lead throughout most of the game. In the last quarter, however, the Rebels made a valiant comeback but fell short of tying the Yanks by two points.

INTRAMURAL CHAMPS

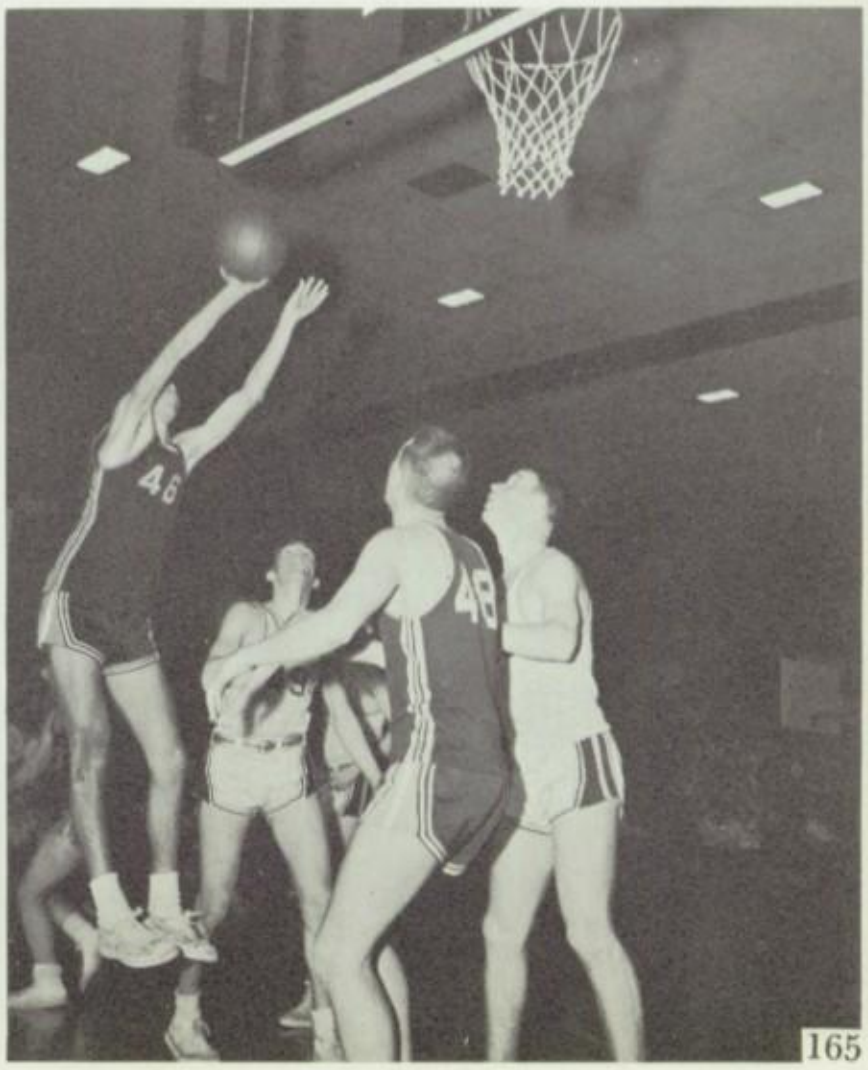
Will he make it? Denny Smith goes up for a shot as teammates and opponents look on in the North-South intramural basketball game.



To Conquer We Try

The Arthur Hill cagers finished this season with a Valley standing of fifth place. In spite of hard drill and hard play, the basketeers just couldn't seem to click during regular season play.

The season began with Arthur Hill winning two non-valley games, Ann Arbor 50 to 48 and Bay City Handy 47 to 42. This promising start was soon upset, however, by the loss of three Valley games. Our chief rivals, Saginaw High, beat the Hills two times, but each game was a close decision with the score of the first game 40 to 43 and the second 62 to 66. Of the games won, two were Valley games and both times the opposition was Bay City Central. Although the team's won-lost record was not the best, this did not reflect the true quality and potential of the Quintet. Out of the ten games lost by the Bucketmen, six of the encounters were not lost by more than five points.

The true potential of the Hoopsters began to show when tournament action rolled around. The Quintet's comeback started to catch fire when the squad warped the Midland Chemics in the District Tournament. The Hillites kept the spark burning in the Regional Tournament when they whipped Flint Northern, a team that had beaten the Hills in two previous meetings during the regular season play.

In the championship game of the Regional Tournament at Flint, the Bucketman lost a heart-breaker to a powerful Flint Central squad.

Arthur Hill Faculty and Study Body:

As the importance of proper education becomes more apparent, our time here at Arthur Hill has taken on added significance. This book has shown that here at Arthur Hill we are very much aware of this stress and of the importance of learning in the future. May all the coming years be bright and may you find in these pages a faithful record of the past. Many thanks for your co-operation.

Mr. Brock, Miss Peterson, and the rest of the office staff:

Thank you all for your willing assistance.

Mr. Baker of Edwards Brothers and Mr. Werkema:

We are grateful for your excellent professional aid.

Kind Advertising Friends:

We deeply appreciate your support.

Loyal Staff:

The success of this book attests your talents, diligence, and confidence. Heartfelt thanks!

Our Miss Murphy:

Your steadying hand, guiding steps, and assuring faith have held our efforts together. Our gratitude is boundless.

Kathleen Janssens
Editor-in-Chief
